Intermediate - practice conversation
Advanced - development of vocabulary and enrichment of reading and writing skills

Teaching practical everyday English
Improve your Reading, Writing and Speaking skills in our classes. Several languages spoken by our staff. Small class size for personal attention.

Activities for children 3 - 12:
Learning opportunities
Snack & refreshments

Goals:

1. To encourage students to build skills that will help them in finding meaningful work, making friends and understanding our culture.
2. To create a welcoming and caring learning environment in a context of faith, hope and love.

Friendly Teachers

Our highly experienced educational team aims to develop student's general English conversation skills.

Class schedule:

6:45PM - 7:55PM:
textbook learning with exercises in vocabulary, reading and writing.

8:00PM - 8:30PM:
We use English stories from the New Testament to learn meaning of new words and how to pronounce them.

Classes are free but there is a small charge for a textbook.
