Generations PM Classes

2 Corinthians by John MacArthur

Paul wrote this personal letter to defend his ministry and integrity against slanderous attacks in his ministry. This book is a good reminder to all Christians that God's grace is sufficient, when we are weak, He is strong. This is a verse by verse study of the New Testament book of 2 Corinthians.

Pursuit of God

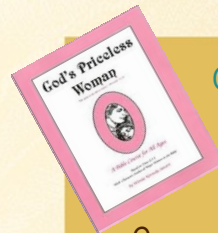

By A. W. Tozer

According to A.W. Tozer, his classic book is... *"a modest attempt to aid God's hungry children so to find Him. Nothing here is new except in the sense that it is a discovery which my own heart has made of spiritual realities most delightful and wonderful to me. Others before me have gone much farther into these holy mysteries than I have done, but if my fire is not large it is yet real, and there may be those who can light their candle at its flame."*

Bible Reading Group (The Books of Moses)

The Bible is God's gift to man. The purpose of Bible Reading Groups is to be in God's Word regularly and to ultimately read through the entire Bible. This WINTER we will be progressing through Genesis through Deuteronomy. Week by week, group participants progress chronologically through assigned readings using a simple journaling tool. Whether you have read the Bible many times or whether you are now beginning to investigate it for the first time, BRG's provide a dynamic opportunity to become more familiar with the Bible's history, people, and truths, while enjoying rich discussions centered in God's Word.

God's Priceless Woman (continued from Fall)

by
Wanda Kennedy Sanseri

Come discover God's rich plan for women and be challenged by this thought provoking, life-changing study. Beginning with a review of Titus 2 and Proverbs 31, Sanseri's 26-week Bible study examines the life, ministry, and legacy of biblical women, followed by applications to your life today. Topics include fearing God, self-control, purity, submission, being single, and more.

Girls Gone Wise in a World Gone Wild By Mary Kassian

Girls have gone wild! And we're not just talking about someone from the romance novel or star from the latest

hit movie. She's the girl next door, your best friend, or someone in your family. She may even be you. That's because the longing, the thrill, and the fun is real. Very real. Mary Kassian isn't naive to that. But she knows there's another side to it--the devastation and heartache being wild can bring. Her insights from Proverbs on the differences between a saucy, seductive Wild Thing and a smart, biblically-savvy Wise Thing is a *must* read. Every minute you spend here will help you--or someone you love--replace the emptiness and guilt of being wild with the power of living out God's spectacular design for women.

Biblical womanhood from
