2011

Merry Christmas!

One wise man said, *“spiritual revolution and world evangelism will grow out of right relationships first with God and with our co-workers”* George Verwer

John 13:35 says. “By this will all men know that you are my disciples, if you love one another.”

We feel so privileged to be a part of what God is doing in the staff team and the work on BC campuses. Even though the team is spread across this huge province, we continue to grow together in unity as well as numerically. We are a creative and inter-generational missionary team aged 20 something through 50+ with the same heart to love on students.

Highlights from 2011 included 2 more staff marriages. 5 more staff were added to the team for a total of 19. 5 more volunteers also serve with us. God is answering prayers for more workers! 100's of students are involved in weekly activities on 9 campuses.

We celebrate those students who have experienced Christ's love whether for the first time or in renewal of faith. Dozens went on missions trips to Africa, Thailand, Mexico, and the USA. University grads are following their dreams into the marketplace and others have joined on the campus ministry staff. We are expectant and full of anticipation for what God has in store for 2012!
