## *New Faces for Chi Alpha*

### THREE NEW INTERNS COMING THIS FALL

We asked the Lord of the harvest to send us workers...and He has! Kyle & Brittany McAllister (Wright State U. in Ohio) will join us for a year of internship this September. This August they will finish a year in Guadalajara, Mexico, helping with the XA campus ministry there.

They will be joined by one of our own students, Rebecca Sweem. I am quite excited to see the Lord answering our prayers for more workers to train!

Would you keep them in your prayers? They need to raise their budgets and complete 5 courses of distance education this summer! Our XA ministry is one of 14 in the USA that is accredited to train Chi Alpha campus ministers.

### A New Woman Staff Member

At the end of Winter quarter Erin Bale finished her 6 years of ministry with CWU XA. She will leave a big void. We are excited to welcome our new female staff member Melissa Mead. She will complete her CMIT (internship) program with the WWU Chi Alpha ministry. Please keep her in your prayers, too. She has a 2 week intensive class in Missouri, then must raise her full budget and complete 5 distance education courses before she moves here in September.

*It's Midterms...and students are studying!*

*Dan has earned a Masters Degree  
from Regent College*
