FOR CHRIST'S KINGDOM AT CENTRAL

VOL. 30: ISSUE 3

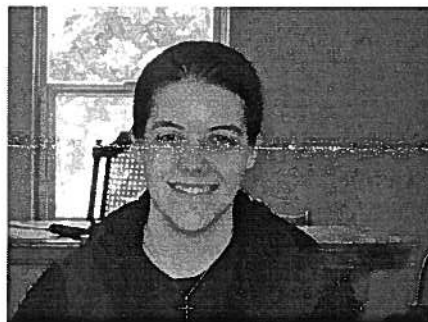

Jesus changes lives, one person at a time

Kristin

I grew up in a Christian family, going to church and a Christian school until I graduated high school. Believing was never a choice that I had made for myself because I never had to. I knew about God and that I was supposed to have a personal relationship with Him, but I didn't know what that meant. The idea that He talks to us and desires to direct and guide every aspect of our lives was completely foreign to me.

Since I've been in Chi Alpha, my faith has become my own. Jesus has become so much more real and personal to me. God has used XA in my life to show me the importance of relationships. He has shown me how

much He works through relationships and has completely changed my definition of friendship.

He has shown me what it truly looks like to be a Christ follower and the joy and passion that comes with serving and loving Him. He has shown me how much He cares about every single detail of my life, and that

He knows me far better than I know myself.

He is showing me how to love people in the way that He has designed me. He is teaching me what it means to live a missional lifestyle and that reaching out to others doesn't have to be as difficult as it seems. He is showing me that I just have to be willing to trust Him and allow Him to use me.

Thank you for supporting Chi Alpha Christian fellowship. Thank you for praying for us and supporting our XA group financially.

Jesus said, "go and make disciples." (Mt. 28:18)

I am his now disciple.
