What is High Society?

The purpose of High Society is to impact the lives of girls ages 11-15 and to equip them with the tools and resources to affect their society. We plan on achieving this through targeted breakout and general sessions with respected ladies from across our fellowship.

Whatsoever things are true, honest, just, pure, lovely, of good report, virtuous, and praiseworthy are the things our young ladies should think on.

It is time for our young ladies to become more than what "Hollywood Society" tells them they can be. It is time that our young ladies "Set their affection on things above, not on things on the earth" (Colossians 3:2). It is time they reach to the Highest Society...the Society of the Most High God! Reaching for God above!

The high Society Conference will be a great time of growth—both spiritually and personally—for your young ladies. Mothers and Ladies Ministry leaders are also encouraged to register.

Come join us for our third annual High Society Conference for girls March 11-13, 2010. Don't forget to pre-register! Pre-registration deadline is February 19th. For registration questions please contact Sis. Shelly Davis @ 478.731.8287
