## Life in the Word

Connecting Biblically

### Sermon Series:

Current series: "Vantage Point - Study of Philippians"

We all have a vantage point - how we view life, joy, eternity and God. Philippians is a book that will help us change our vantage point! Beginning in June: "Radical Change" To live a changed life for God we need a radical change. Throughout the Bible, God radically changed people. God wants our beliefs and behavior to be transformed. Join us this summer as we examine how God radically changed people and why it's so important.
