

**INVEST**

investing in **KIDS** investing in others  
2 Timothy 3:16-17

## Invest Service Groups

Our two service groups will be lead by Miss Jessica and Miss Krista. They will lead these groups with help from the class mentors.

Students will be able to choose which service group they would like to join. We strongly encourage students to take at least one year of each and then settle on the group that uses their giftedness.

Class time will be divided into whole group biblically based lessons and a time of applying these learned practices.

Invest jr. will also participate in these service groups at an age appropriate level: Magnify jr. and Express jr.

## **Express**

*"Giving voice to God's truth"*

Students will express God's truth through a variety of mediums: spoken word, singing, drama, and corporate prayer. Through "Express" children will prepare to be articulate people who are passionate for Christ and the advancement of His Kingdom.

Whether witnessing to a friend, going on a short term mission's trip, teaching a Sunday school class, participating in small group prayer, singing in corporate worship, or simply reading the Bible to children, life is full of situations where we must give voice to truth for the glory of our Savior.

Children will engage in various activities and adventures teaching a wide array of vocal expression: short skits, Scripture memorization, singing, impromptu speeches, improv acting games, movie making, song, and weekly prayer time.

*Let the word of Christ dwell in you richly, teaching and admonishing one another in all wisdom, singing psalms and hymns and spiritual songs, with thankfulness in your hearts to God. Colossians 3:16*

## **Magnify**

*"Magnify the word and love of God through service and relationships."*

Our Magnify group will learn about what it means to be a servant of God. This knowledge will come from whole group lessons and practical experience.

We will build relationships with our missionaries, through letters and videos, and learn about their daily lives and the lives of those they serve. Also, working alongside our church body, we will explore various ministries and help people in our community.

Weekly lessons and scripture will reinforce what the Bible teaches us about serving others; while, weekly services projects will grow a passion for service.

Service projects will include a wide range of activities: helping Kitchen Ministries prepare for an event, working with Flood staff, creating care packages, etc.

*Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms. 1 Peter 4:10*
