## ***INVEST jr.***

*Designed for 3's-K's to learn more about the Bible and service.*

Our Invest jr. class will utilize The Beginner's Bible and corresponding curriculum to discover the truth of God's word. They will enjoy engaging lessons, exciting games, fun activities, and animated videos.

We will also be learning all about the attributes of God and find out how amazing He is! The teacher and mentors will use Because God is Awesome! to help lead age-level appropriate discussion groups.

The students will have scripture memorization to help reinforce weekly lessons.

Our Invest juniors will also be participating in the service groups Express jr. and Magnify jr. where they will learn about serving God and using their giftedness.
