- Any sleeve length is okay, but no sleeveless.
- All other existing dress guidelines apply (no T-shirts, spaghetti-straps, or low-cuts; dresses/skirts knee-length or longer, no perfume or scented lotions, etc.)

Men:

- Collared, long sleeved shirts in white or bright, vivid spring colors with bright, vivid ties.
- Dress slacks in any coordinating color. All other existing dress guidelines apply, including no cologne or scented aftershave.

THANK YOU for your commitment to our ministry

- Please do not enter/exit the choir loft during singing/rehearsing, but wait for an appropriate break.
- If you must miss a Thurs. night or Sun. morning, please call or e-mail Pastor Rob in advance. If you do miss a Thurs. night, it is your responsibility to obtain a copy of the latest *Music Notes* to stay updated on news and any schedule changes (see web address at bottom of this page).
- In order to sing with the choir Sun. morning, you must have attended 1 of the 2 previous Thurs. rehearsals (possible exceptions for pre-arrangements – beyond merely “knowing the music”). Attendance is recorded Thursdays and Sundays (no glaring at recorder, this is by firm decree of Pastor Rob!). Also, if you arrive after we have begun singing (“run-thru”) on Sunday, you will not be permitted to join the choir that morning.
- NO food or drink in the choir loft or sanctuary, except for water.
- Cell phones are to be in silent mode, and please no calls or texting during rehearsal.
