Prayer Partners

At Vinland Lutheran Preschool, we honor God by nurturing children's relationships. One aspect of this vision involves building relationships and connections with the congregation of Vinland Lutheran Church. Members of our congregation will be volunteering to pray for your child and family. These prayerful people receive a picture of your child along with the parents' first names so that they can pray for your health and well-being. Soon you will be given a picture of the person or couple who is praying for your child; you may pray for them, too, if you wish—though that is not required. We invite the prayer partners to visit the preschool. In May we host a luncheon for the families and prayer partners to share conversation and a meal.
