First day of summer picnic potluck at Lutherhaven! Wednesday, June 21 at 6pm. We'll provide drinks and dessert! There will be a lifeguard.

We will have a bittersweet summer with some sad Goodbyes and some joyful Hello's!

We will do a double farewell for Pastors Sigi and Marty when we have an official start date for our new pastor.

We will welcome Allison Pringle as our new Youth Director on August 1 and bid farewell to the Crawford family at some point!

And then, when the time is right, we will welcome a new pastor!

THIS. IS. A. GREAT TIME TO BE AT VINLAND

Pastor Marty Dasler

I do not cease to give thanks for you as I remember you in my prayers. Ephesians 1:16

When I spoke to Bishop Jaech last fall about the possibility of helping with this transition at Vinland, I was reminded that I had no training for this kind of work outside of my many years of being a Parish Pastor. Even though this was a new experience for many of us, I now feel that I was trained by some of the best experts in the field, the good people at VLC.

This could not have happened without the leadership and organization of Pastor Sigi who was a competent and faithful colleague. Marsha has creative energy, wisdom, and an infectious laugh. Carlos and Sherry were faithful helpers with worship assistance and electronic problem solving. Karyn works wonders with our youth, offering kind support and needed guidance. One of the joys of my ministry was working with the preschool under the terrific leadership of Janean, along with Lori and Lynn. Steve has put up with last minute changes and always chooses music that has energy and images that speak to the heart. Lisa did her ministry with joy and has a great knowledge of music literature for the church. Nita and I shared a special bond of growing up in the German music tradition of the Missouri Synod.

I will always remember the dinner meeting that I shared with John Brock and Kelle Horn. Where they introduced the wonderful people of Vinland. I have not been disappointed by their affectionate description.

While I did not get to know all the ministries, or people, I developed particular fondness for Preschool Chapel, home visitations, Dialogue on Draft, Men's Breakfast, Lunch Bunch, Text study, Quilters, Women of Vinland and of course our experience at Viking Fest.

Sunday worship was a special joy as I felt your support and encouragement as we explored new ways to look at the Gospel. I will remember the joy you brought into my life at a time when I thought I was finished with congregational ministry.

Lastly I would like to thank Megan who like Jesus covered a multitude of sins and always made the ministry look efficient and competent.

Before I began this adventure I met with Pastor Chuck at Starbucks and asked who the spiritual trustees of the church were. These are the folks who know why Vinland exists and carry on the vision for our Lord's ministry in this place. It was a long list and I have to say that it seemed to grow as I became better acquainted with you wonderful people. As I watched the joy and enthusiasm of our new members on May 21, I knew that these four young families with their eight children were learning that this is a great time to be at Vinland.

**I am confident of this, that the one who began a good work among you
will bring it to completion. Phil 1:6**

WHAT'S HAPPENING.

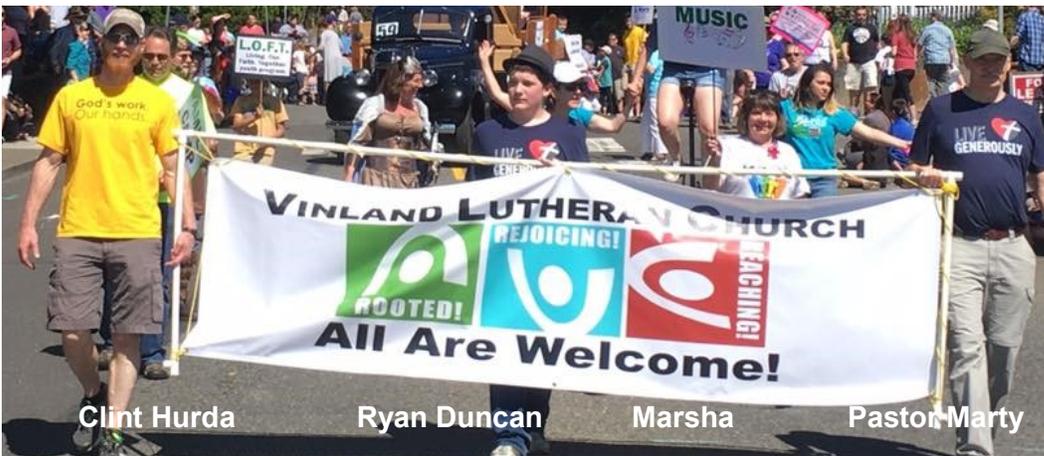

It was a wonderful Viking Fest Parade!

The truck carried Martin and Katie and King Christian and his lovely Queen Dorotea. They waved to the adoring crowd, lifted their steins to the judges, nailed treatises to the wall of the stave church and kept on smiling while lots of Vinlanders of all ages walked and unicycled along.

The truck was a little less enthusiastic, but thanks to Vinland marchers and many of the Good Samaritan parade-watchers, the truck made it to a landing spot across from Martha and Mary. This will be a great story to share with future generations!!

Thank you everyone! It was a good day for Vinland! And now would be the perfect time to invite a friend, neighbor or relative to come and visit us.

what's happening

GAB FROM THE GAVEL Kelle Horn, council president **How can we grow the church?**

Apparently by being ourselves! Vinland welcomed four new families into our church community this month along with 5 baptisms! Last year at our council retreat the idea of having a booth at Viking Fest was proposed, it was too late for 2016, but the youth council steward (Marci Becker) and the staff made sure we were part of it this year and boy were we! The youth, their parents, Karyn and the tireless Beckers manned the Italian Soda booth and cleared close to \$1,000 with Thrivent Grant money and Congregational support. The funds are earmarked for the youth attending the ELCA National Youth Gathering in Houston next summer.

Pastor Marty was truly inspired by the idea of celebrating the 500th year of Martin Luther's reformation for the parade. We had Martin and Katie Luther (Aaron & Mari Schielke) and the King and Queen of Norway (Beachie and Glenn Settle) and their agreement to accept Luther's newfangled church 480 years ago (to keep the Uff Da in the float) and away we went. The weather was perfect, we had great participation with young, not-so-young, new and longtime church members and Rand's wonderful 1940 flatbed truck. Spirits were high and candy was being doled out by the kids, then the truck stalled, first on Fjord, but thankfully at the top of the hill. We gave it a good push, Rand popped the clutch and we were off again! All was going well until we were just past Sluy's Bakery and approaching the judge's booth when the ol' truck gave up the ghost again, but what should happen, but parade watchers pour off the sidewalks and start helping to push the truck the final TWO BLOCKS of the parade!!

What I loved about this experience was that we were there to spread the word of God's grace and grace was bestowed upon us! I do not think anyone will be forgetting Vinland for a while. I know I could not be more proud of our staff, our kids and our congregation where we were rooted in the street, reaching out for help and rejoicing in God's love that surrounded us!

Let us then approach God's throne of grace with confidence, so that we may receive mercy and find grace to help us in our time of need. ~ Hebrews 4:16

EUCCHARISTIC MINISTER MEETING

Thursday June 8 at 12:30 after lectionary lunch.

Chaplain Ernie McCluskey will be coordinating this exciting lay ministry of visitation to shut in members. Come to this informational meeting if you are someone who would like to visit our shut in folks and bring them communion on a bi-monthly basis. For more information talk with Chaplain Ernie or Pastor Sigi.

YOU Can Make a Difference!

KIDS on the MOVE

mixing faith and fun

JUNE 26-29

Ages:

Ent. K — high school

Volunteers can bring their younger children. We will provide care for them.

We'll have a picnic/party on Friday, the 30th for all

This day camp is an outreach into the community. Vinland is blessed with beautiful and usable outdoor space and we believe it is part of our mission to share that with the community. It takes many volunteers to make a great week of faith and fun.

We will need donations of food and adult volunteers to partner with our teen helpers. We will also need childcare providers for a few young ones.

Karyn Crawford has awesome afternoon activities for our middle and high school kids.

We will once again have a run/walk on Thursday. Our servant focus this year is donating to the Safi School Project in Tanzania. Jen Nelson's parents were instrumental in the founding of this organization.

**Ever hear of
"Where's Waldo?"**

**Well, we'll have our own camp version:
"Where's Jesus?"**

Four action/adventure stories from Jesus' ministry will keep us moving all week!

You'll be surprised at all the places where Jesus turns up!

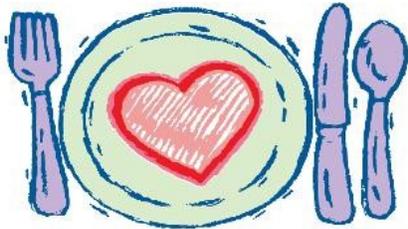

"The most positive effect we can have on the world is to give the gift of education."

Safi School Project is a non-profit organization based in Lacey, WA with the mission of empowering and improving the lives of young people in Tanzania through education. Safi is in its tenth year working with students in Arusha, Tanzania, East Africa. The goal of the Safi School Project is to make a measurable difference in the education of children in Tanzania. We do this by donor support. With donor help Safi can create model schools that consider the needs of the whole school, its students, its teachers, its volunteers and its infrastructure.

lutherhaven news

OLYMPIC LUTHERHAVEN

Olympic Lutherhaven is a Christian campground that is owned by 7 local Lutheran churches. Vinland is one of those owning congregations. The camp has two separate areas: a camp side and a picnic side. During the summer the owning congregations each have a week of exclusive use. There is also a week of Bible camp open to anyone, regardless of church affiliation. Vinland has an incredible Family Camp Week July 21-27. A highlight is a huge, old-fashioned church picnic on Sunday, July 23. It is a phenomenal opportunity for all ages to interact!

During the camping season Vinland members can come out during the week and use the picnic side. We are proud to be caretakers of this jewel of God's creation on the shores of Wildcat Lake.

ANNUAL FATHER'S DAY BARBEQUE at Lutherhaven

June 18, beginning at 1pm on the picnic side.
Hot dogs and burgers provided.
Bring a potluck side dish to share.
Rain, shine, or clouds, it will be a fun way to spend a Sunday afternoon.

Barb's Backyard by Barbara Erickson

The last prayer having been said, I reached into my pocket for the tiny bird. I handed it to Bill, who stepped forward and carefully placed it on the small box containing Pop's ashes. There were smiles and surprised murmurs from the few guests; we thanked them for coming and helped Mom back to the car. It is never easy to say good-bye to a loved one, but our final gesture had been decided weeks before and we were at peace with it.

How does one sum up a father's life? Surprisingly, the tiny wooden Roadrunner seemed to do just that for us. Carved in the later years of his life, it was but one of a whole cabinet-full of birds and animals. He and Mom had spent their many retired years thoroughly enjoying their life together. Taking pride in their home and yard, Pop enjoying watching the birds and squirrels. He built bird houses, feeders, and carved the Robin, Hummingbird, House Finch, Magpie and Meadow Lark. They drove their small motor home throughout the U.S., claiming it was best to see what our own country had to offer first. Pop kept a record with his carvings - Ibis, Cardinal, Blue Jay, Bald Eagle ... Each fall they headed down the Oregon coast - Loons, Gulls, Pelicans, Killdeer... Wintering in the Palm Springs area of California, he captured the Cactus Wren, California Quail, and yes, his beloved Roadrunner! They especially loved their own part of the world - spending time each summer camping and hiking in the Tetons of Wyoming. We joined them there as often as we could and have many fond memories of the times we shared together in this magnificent place. And so we have the carefully carved Chickadee, Mountain Bluebird, Steller's Jay, "Camp Robber", Western Tanager and Red Winged Blackbird.

The earliest of Pop's carvings are dated in the late 1930's and '40s. In his young married years he worked as an engineer helping to build the Fort Peck Dam in Montana. Bill was born there. World War II and the Navy took them to New Jersey, after which they returned to Fort Peck, until a new job took them the New York, then a final move to Idaho Falls, Idaho, where they remained. Those early carvings are of a primitive style, but still show his exacting nature and attention to detail. After those, work, family, church, and his civic organizations took up most of his time, as we have no evidence of any more carving until his retirement. His fine woodworking took other forms however, with finishing projects in their home and lovely pieces of furniture. (Bill is his father's son!)

I have no idea what Pop expected when I became his first, and only, daughter-in-law. Being one of 5 sons, with 2 sons of his own, he must have wondered a bit at this "earthy", then 20-something, college tomboy his son brought home. But from the beginning, we had a special bond. His quiet, thoughtful wit, neat, precise ways, quirky sense of humor, and fantastic creativity with recycled materials struck a chord with me. He quickly learned my interests, and I his. We had mutual respect for each other and shared quiet conversations about his art and mine, the natural world around us, and always - birds. We learned so much from him and we miss him.

It was Pop's fervent desire to leave this life with dignity in a quiet, respectful way - with no undue outside interference. He wanted no fuss, no frills, just a short service with immediate family. For 90 years he had lived his life this way and we sent him off as he wished. But a part of him remains - we see it in the strong, determined stance of a tiny wooden bird with a bright, devilish glint in its eye.

Listen to your father, who gave you life, and do not despise your mother when she is old. Proverbs 23: 22

Children, obey your parents in the Lord, for this is right. Honor your father and mother - which is the first commandment with a promise - "that it may go well with you and that you may enjoy long life on the earth."

Ephesians 6: 1 - 3

WE ARE SO PROUD OF YOU!

ANDY CRAWFORD

I have been in many clubs at Kingston High School including ASB, Interact, LINK Crew, and the Positivity Ambassadors. My senior year I was the ASB Vice-President and a student representative to the NK School Board. I lettered four years in football and baseball and am looking forward to playing baseball for Shoreline Community College next year. Vinland has always been a second home to me. I was the little kid who brought his Rescue Hero toys to play with at Parent's Night Out and now I love being a coach at VBS. I appreciate all the adults who have supported me here including; my second family - the Clucas', Marsha, Doug and Linnea Barnhart, Beachie, Brandy, Bobbi Moore, John Brock, Dennis Deitch, the Seles, Ericksons, Nelsons, Schmids, and all the great little kids like Jack, Henry and Spencer.

DEVIN HORN

I often think of how my life would be different without Vinland and I believe that without the love and support I have received, I would not only be a different person, but I would be a less compassionate, kind and forgiving person. These are the lessons everyone from the congregation has taught me. I will attend PLU his fall with plans to study languages (currently learning Spanish, German and Mandarin) and civil engineering.

BRIANNA HORN

I intend to join the field of education, starting at OC at first and moving on from there. A hobby I have is sketching. Favorite childhood memory: probably the time I had free reign of OGC for 2 hours. Though to be fair, I was still a teenager then.

SARA BIGELOW

In high school I participated in track and field, lettering all four years. I also was in honor society my sophomore year and key club my junior year. I'm excited to be attending the Honors College and Washington State University in the Fall of 2017. My earliest memory at Vinland is the Christmas pageants and how I wanted to be an angel every year. I do have many, many great memories at Vinland, from the mission trip to California to the kindness of all the Vinland members.

SAM WARD

During high school I participated heavily in the engineering club after school as well as played on the lacrosse team, and swim team. After High School I plan to attend Olympic College for two years after which I will transfer to a four year college to complete my master's degree in engineering. My childhood is filled with memories from church but those are hard to remember. My best memory is from the Mexico Amor mission trip. One of the days the family we were building for cooked us a barbecue out of their own pocket and for a moment I felt as though I was back in America with any normal family.

CODY WARREN

Cody is looking forward to attending Embry-Riddle Aeronautical University in Prescott, Arizona. He will study Astronautical Engineering, and hopes to have a career in satellite or spacecraft propulsion. He is excited to live in a warmer and different part of our country.

Broken Dreams

As children bring their broken toys
 with tears for us to mend,
 I brought my broken dreams to God
 because He is my friend.
 But the, instead of leaving Him
 in peace to work alone
 I hung around and tried to help
 with ways that were my own
 At last I snatched them back and cried
 "How can you be so slow?"
 "My child," He said, "What could I do..
 you never did let go."

A VISIT FROM THE FENDLERS JULY 9

"We hope that some of you remember us staying at First Lutheran and Vinland in 1998/99 as interns from Germany. We have so many good memories that we decided to visit you and show this place to our teenage kids: Kolja (17 years), Kari (14 years), and Ole (12 years)."

Well, those of us privileged to know the Fendlers are very excited to have them here at Vinland. They will be with us during worship and we'll plan a brunch following where Michael and Stevie will be happy to share about their many experiences as from their mission work in Russia, about the anniversary of the Reformation in Germany, about the refugees in Germany and Europe or anything else of interest.

This will be a great Sunday for all of us; even if you never met the Michael or Stevie, you will thoroughly enjoy them. They are absolutely delightful people.

WELCOME

We welcomed four families to Vinland on May 21. Baptized were Ginger, Mae and Greta Ceraldi and Piper and Parker Magnuson. Make a point to get to know these folks and extend the welcoming hand of friendship.

The Ceraldi Family

Art, Ginger, Mae and Greta

The Ceraldi's moved to Seabeck in 2014 from Newport, RI and bought a house in Poulsbo last year. Art is originally from Ohio and Ginger is from Bellingham, WA. They have moved around while Art served in the military but have settled permanently in Poulsbo. Art works at the Shipyard in Bremerton but also continues to serve as a reservist at Naval Station Whidbey. The Ceraldis also own a small

healthy snack vending business, Copper Glance Markets, which Ginger manages. They have two children, Mae (4.5 yrs) and Greta (2.5yrs) and care for Ginger's sister, Genelle. The family has many varied interests including any outdoor activities, D.I.Y home improvements, gardening, wellness & nutrition, reading and education.

The Hurda Family

Clint, Molly, Savannah, Abel and Gus

We are Midwest transplants thanks to the military. Clint is a Marine Corps combat vet and Molly is active duty Navy. We enjoy traveling and exploring new areas. We have three children: Savannah is 7 and loves creating art out of recyclables. Abel is 4 and likes to sing and play outside. Gus is 8 months and is working on crawling. We are excited to be a part of Vinland.

The Magnuson Family

Makai, Katie, Piper and Parker

Katie is originally from Hawaii and Makai grew up in Kitsap County. They have lived in Kitsap County together for about 4 years. They love the outdoors and country living on Ruud Road, They have two children: Piper is two and Parker is almost 1.

The Kollmorgen Family

Kristofer, April and Addison

The Kollmorgens are a military family and neighbors of the Moriarty's. Kristofer is currently deployed and April and Addison are holding down the fort until he returns. Addison is 5 and loves everything!

Honoring God by nurturing children's relationships

With thanks to Pastor Marty for teaching us this song and being our friendly "neighbor" and puppeteer during Tuesday chapel times.

Kindergarten Wall

John McCutcheon

When I was a little kid, not so long ago,
I had to learn a lot of things I didn't really know,
How to dress myself, tie my shoes, how to jump a rope,
How to smile for a picture without looking like a dope.
But of all the things I learned, my favorite of them all,
Was the little poem hanging on the kindergarten wall.

(Chorus)

*Of all you learn here, remember this the best
Don't hurt each other and clean up your mess.
Take a nap every day, wash before you eat
Hold hands, stick together,
Look before you cross the street.
Remember the seed in the little paper cup,
First the root goes down, then the plant grows up!*

It was first, second, third grade and fourth grade, too,
I had to learn the big things the big kids do,
How to add, subtract and multiply, read and write and play,
How to sit in a little uncomfortable desk for nearly half a day.
But of all the things they taught me, of all the great and small,
My favorite was the poem on the kindergarten wall.

(Chorus)

Lately I've been worried as I look around and see
An awful lot of grownups acting foolish as can be.
I know there's lots of thing to learn, I haven't mastered yet,
Still it seems it's real important stuff that grownups soon forget.
I know we'd all be better off if we could just recall
That little poem hanging on the kindergarten wall.

BUSY MOMS

SUMMER TUESDAYS

AT THE LAKE start 6/20

Vinland Busy Moms (moms with kids in tow) will once again be meeting on the picnic side of the lake at Lutherhaven. We usually start gathering around noon. Come when you can; leave when you must. It is a great time to visit and for the kids to play and get to know each other. No lifeguard is on duty.

LET'S CELEBRATE WEDNESDAY JUNE 21!

Sunday School and regular school are over for the year and we need a chance to get together!
Potluck Picnic at Lutherhaven at 6pm.

Dessert and Beverages provided.
We'll have a lifeguard on duty.

Bring some food and family and friends and enjoy the first day of summer!
