Vinland Lutheran Preschool, Poulsbo, WA (360) 865-0510

Dear Preschool Families,

Vinland Lutheran preschool is abounding in love. The preschoolers are generous with their hugs, affection and helpfulness. They shine bright with God's love. Our classroom volunteers, like Miss Anita, Miss Dani, & Pastor Mike, show love by sharing their time and talents with us each week. Our families show their love by making new friendships, supporting our team, attending our events and helping with our projects. Thanks to all for magnifying God's love.

Parent Teacher Conversations

We are scheduling conversations in February to check in with our families about their preschoolers. Conversations will happen during outdoor play time. Look for a link to the Sign Up in your weekly email and on our family Facebook page. These meetings are not required, but an opportunity to touch base with our team. We appreciate any parents who may be available to help teachers supervise outdoor play. If you have questions, can help or prefer an alternate time after preschool hours, please contact Janean to schedule your conversation.

☛ *The weather is always changing. Please send appropriate clothing, shoes and coats for outdoor play.* ☛

Dinner & Auction
Sunday, April 26th
5:00 p.m.**

We fundraise each year to subsidize tuition to meet our budgetary needs. This year we will have a delicious Hawaiian themed dinner with silent and live auction, class projects, dessert dash, and spirits wall. Our goal is to raise \$10,000 to continue to offer outstanding early childhood education to the North Kitsap community. We need your support to make this event a success. How will you help?

**Look for signups in the Welcome Room.
Tickets go on sale this month.**
