THE 7 GUIDING PRINCIPLES OF NFL YOUTH PROGRAMS

The NFL Youth Programs were developed to help kids and their families have an enjoyable experience every time they step on a football field. As part of this, the NFL asked kids, parents, and coaches about their likes, dislikes, and concerns, not only with playing football, but with the overall youth sports experience. As a result of this research, we have developed seven guiding principles that make up the overall philosophy that we apply to all the NFL Youth Programs.

- 1 Make it fun
- 2 Limit standing around
- 3 Everyone plays
- 4 Teach every position to every participant
- 5 Emphasize the fundamentals
- 6 Incorporate a progression of skill development for every participant
- 7 Yell encouragement, whisper constructive criticism
