Let's Get Outside!

Rev. Jeff Binder

Look, I know it's hot already. It's probably going to be hot for a while. But let's not let the summer heat prevent us from getting outside and enjoying God's natural world! This month I want to share with you about developing our spiritual lives through our interactions with the outdoors.

Have you ever thought about how your experience outside could be turned into a spiritual practice? Simply put, a spiritual practice is any regular, intentional activity that you do that in turn allows you to grow in your relationship with God.

- **Mowing the lawn?** How about praying for individuals with each pass across the yard with the mower?
 - **Swimming?** Take a moment to allow your focused breathing to become a source of meditation; to be fully present in not only your strokes, but in your breath.
 - **Hanging out at the beach?** God created the beach to remind us of the importance of celebrating Sabbath! Our only expectation is to enjoy being present with God!
- **Gardening?** Remember our original jobs in Eden were to maintain the garden. With each plant, bird, and bug, we are reminded of God's Creation.

Whether we are running, biking, hiking, swimming, walking, camping, or even sitting in the shade on a nice bench, remember that we are called to commune with God's natural world around us. I would love to hear of your experiences, and to hear how your intentional time with God is going!

...and don't make me repeat myself; wear sunscreen!

Produce Table

The recent blast of summer-like weather has done wonders for gardens around town. What's growing in your garden? Do you have some produce, some flowers or some herbs to share? If so, please bring anything that you think someone else might like to Valley's Produce Table. It is set up each Sunday in Davis Hall and welcomes all things to fill this tabletop. Hopefully, the offerings will entice others to stop by, pick up a few garden fresh goodies and place a monetary donation in the box. Just wait to see what July brings to Valley's Produce Table!

Summer Hymn Sing

It is summer time and the choir will not sing in worship during July and August. We will be having our wonderful soloists provide solo anthem music during those months. Also, we will resume our tradition of replacing the prelude with a "hymn-sing." Arrive a little early for church and be prepared to shout out the number of your favorite hymn.

Dining for Women to Meet July 21

Education in other parts of the world varies so much! In America there are schools around almost every corner. It is the expectation for most to get 12 years of education. We are the lucky ones; not so in underserved and rural areas around the world.

Come to the July Dining for Women at Valley meeting on Sunday, July 21 and learn about how one organization, Iqra Fund, is changing the lives of girls in rural Pakistan through education.

The project is called Educating Girls and Empowering Women in Tribal Pakistan to Eliminate Childhood Marriage and Strengthen Communities. Based on their success at the grade school level this project establishes a girls' middle school program in Pakistan's isolated Basha Valley by funding teachers, providing uniforms, books and supplies for the girls, and engaging the mothers in leadership workshops.

To provide high quality schooling, the Iqra Fund partners with tribal villages and collaborates with community leaders, parents, and other stakeholders to create a sustainable education system for the girls and adult learning opportunities for their mothers.

Join us at 11:30 a.m. in the Fireside Room to share an abundant potluck lunch, hear a program on this worthy and interesting non-profit organization, and let your "dining out" dollars help support their grant request. See you then!

Presbyterian Women's Bible Study

The Horizons Bible study for Presbyterian Women for the year 2019-20 is "Love Carved in Stone: A Fresh Look at the Ten Commandments" by Eugenia Anne Gamble, a long-time Presbyterian pastor. The study examines what it means to consider the Ten Commandments not as a harsh list of what not to do but, instead, as a "love letter" from a loving God. Moral behavior matters, not simply because immoral actions can anger or disappoint God, but because principled behavior is how love becomes real, both toward God and in community.

Rev. Gamble notes that nowhere in the Hebrew text does the word for "commandment" appear, but that the utterances are called "words." She has chosen to use the term "Ten Words" because it is the biblical form and opens us up to looking at the Ten Commandments in fresh ways. Each lesson begins with an exploration of one of the Ten Words in its biblical context. From there we'll consider a moment from Jesus' life that shows us how he lived out that Word. We then consider the Word for our own lives and contexts, and conclude with an invitation to pray with the Word in our study groups and in our personal devotions.

At least two Valley Women's Bible study groups are planned for 2019-20: one on a week-day morning and another on a weekday evening. If you are interested in participating and have a preference for a particular morning or evening (or days you would be unavailable), please let Connie Brenner know (503.690.8933).

Presbyterian Women to Gather October 19

The Fall Gathering of Presbyterian Women in the Cascades Presbytery will be held Saturday, October 19, at First Presbyterian Church of Woodburn, 950 N. Boones Ferry Road, Woodburn 97071. The theme of the Gathering is "Building Bridges of Understanding", and the keynote speaker will be the Rev. Cynthia O'Brien, pastor of First Presbyterian, Woodburn. Her topic is "The Better Angels of our Nature", and is about the Better Angels movement, a bipartisan effort to unify our divided nation by bringing red and blue Americans together into a working alliance and building new ways to talk to one another, participate together in public life, and influence the direction of the nation.

Registration and Hospitality will begin at 9:30 a.m., and the Program is scheduled for 10:00 a.m. to 3:00 p.m. Pre-registration is \$10, which includes lunch, and registration after October 14 and at the door is \$15. Registration forms are available in the church office.

Thank you for sending your check for **\$35.50** for the
2019 Per Capita (for wider church expenses) for each Valley member.

Confirmation Journey

Five of Valley's high school youth embarked on their Confirmation journey beginning in October, with a conclusion on Confirmation Sunday, June 9. With the help of supportive mentors and church leaders, we concentrated this time on learning and discovering aspects of a life of faith, both as a community and personally as each individual sought to understand and then explain their own beliefs.

With partnering mentors, the Confirmands did lots of "heart work," beginning the journey of what we believe, why believe it, and how we live out our legacy as Christ's beloved "hands and feet" on this planet. The youth are incredible and insightful, and they are a blessing to our local church community and the world. This year's Confirmation Class included Grace Baker, Dylan Blair, Anthony Graham, Olivia Hoffbeck, and Maria Rinella. Four of the five confirmed their baptismal vows and joined Valley as members! Let us continue to pray for these incredible people and their mentors and families, as we all journey in faith together. Many thanks to all who walked alongside the youth during this journey. To God be the Glory!

- **Grace Baker** graduated from Beaverton High School where she was captain of the Rhythm B's dance team. She also worked at THPRD during her junior and senior years. Grace has been a ballet dancer most of her life and most recently attended The Portland Ballet. Grace's favorite memory at Valley was her first youth group trip to the food carts.
- **Dylan Blair** will be a junior at Lincoln High School this fall. He has attended Valley Church since birth. Some of his extra-curricular activities include soccer, guitar, hanging out with friends and playing with his Australian Shepherd, Monty. He enjoys spending time volunteering at Valley.
- **Anthony Graham** will be a senior at Aloha High School this year. He has been involved in numerous activities at Valley while growing up including choir, VBS, and youth group. Some of his favorite activities are drawing, music, filmmaking, hanging out with friends, and helping care for pets. He enjoys helping with various Valley activities and helping around the community.
- **Olivia Hoffbeck** will be a junior at Jesuit High School this year. Some of her interests include soccer, mock trial, theater, and softball. She has grown up in Valley and is member of the choirs and youth group. Her favorite memory with Valley was her first mission trip. The youth group traveled to California to help paint, garden, and build for a small community. Olivia is looking forward to volunteering at VBS and attending the upcoming Triennium trip this summer!
- **Maria Rinella** will be a sophomore at Beaverton High School where she is a member of the volleyball and track teams, and is a volunteer for Club Hope. She has been a part of Valley since she attended preschool there at three years old, was a regular participant in Vacation Bible School, and has been very active in the Youth Group and choir over the years. She is a music lover and talented singer, and enjoys spending time with her family hiking, crabbing, camping, and pretty much anything outdoors.

Mission Corner

Thank you to all who donated to the **Letty Owens Center Baby Layette Drive**, in May. We collected so many needed items for the "little ones" and their moms (left). LOC was overwhelmed by our generosity when the items were delivered to them in early June. Thanks again, from your Mission Team and Valley Christian Preschool.

CROP Walk in April... we donated \$345.00 toward their 2019 goal. Of this amount 25% stays right here in Portland to fight hunger. Thanks for your support.

First two quarters for Cents-Ability have netted: \$1,016.54, slightly lower than last year's figure.... but we have time to catch up, before the end of the year. This offering allows us to donate to the PCUSA hunger program and our local agency Care to Share. See the past 5 years of giving posted on the bulletin board in the stairwell to the gym.

Welcome New Director of Youth Ministry

Marshall and Hayley Lauck

Hello Valley Community!

My name is Marshall Lauck, and I am the new Director of Youth Ministry. I am so excited to be a part of Valley Community, and for the chance to serve and work with the youth of the church.

My wife, Hayley, and I moved to the Portland Metro Area in May of 2018, from the small town of Turlock, CA. We have been married for two years as of June 24! We're both avid readers (we got our BAs in English Literature), and we also like to call ourselves writers. We've both had some of our poetry published!

Another one of my great loves is coffee. In addition to working in ministry, I am a barista at the Peet's Coffee on SW Broadway in Portland, so feel free to pay me a visit! I consider myself a Coffee Enthusiast. One of my favorite hobbies is trying new coffees and experimenting with different ways to brew (I personally own about six different coffee brewing devices).

I have several years of volunteer ministry experience, and it has always been a great love of mine. God has truly blessed Hayley and me with this opportunity to be a part of Valley Community. We are so looking forward to getting to know the youth in the church and their families. If you see us around, feel free to say hi and ask us a few questions, we're excited to meet you!

All the Best,
Marshall Lauck

My Faith Story

By Bev Hubbard

The Scripture verse which has lead my Faith throughout is *John 3:16*, “For God so loved the world that he gave His only begotten Son, that who so believeth in Him should not perish, but have everlasting life.” It is this passage that has strengthened me whenever my faith was challenged.

I was born and grew up in the small town of Oroville in northern CA. Our family went each Sunday to the First Congregational Church, a church established there in 1912. My favorite memories of this church as a child include the large stain glass window above the choir loft which portrayed Jesus with his hands outstretched as if to say “Little children, come unto Me.” Sunday school classes for us “little ones” were held in the church basement which had cold cement floors. I fell off one of the little wooden chairs when I was about four years old and my Sunday School teacher, Mrs. Sherlock, showed little comfort for me as I remember. I was active in the Cherub Choir and

remember wearing an angel costume each year for the Christmas pageant.

As I got older I don’t remember a “Youth Group” as such, but I do remember our Sunday school room was now upstairs on the second floor of the church. During my junior high years, I was invited along with three other girlfriends to join the adult choir, in which we participated until graduation from high school.

My faith was still pretty much in what I would say was an infancy stage during this time, and going to church on Sunday as a family was just something we did. We did not pray aloud at home much. Perhaps a prayer before Thanksgiving and Easter meals.

After high school I took my first “leap of faith” by coming to Forest Grove, OR to attend Pacific University, majoring in Elementary Education and minoring in music. I really didn't know anyone at Pacific before I came, but soon made friends, especially in the University Singers.

Experiencing the Columbus Day storm my first year at Pacific, and then the assassination of President John Kennedy stand out in my memory as times when I relied on my faith.

After graduation from Pacific I taught my first year in Tigard, and then transferred to Beaverton school district. During this time I met and married my husband, Jerry, who was not a church goer. Nor could he read music to sing in a choir. Oh well - he was a good provider and father for our two sons. When Matt and Alan were six and five years old, we came to Valley to worship as a family. I came because I knew the music would be good. My friend Pam Nelson’s husband, Ward Nelson, was the organist at Valley at that time. Both boys received their Bibles as second graders and they also participated in a Wednesday afternoon program for children when they got a little older.

Going through a divorce was another time when my faith was tested, but we had been attending Valley long enough that I chose to become a member in 1987. I did survive that challenge with the help of several conversations with Pastor Jack Hansen.

The next challenge of my faith occurred after obtaining a Master’s Degree in teaching and substituting for five different school districts in the Portland area for three years. I went to a Teacher’s Fair in the spring of 1991 and walked out with a contract to go teach first grade in Guam. So at the end of August I boarded a plane and traveled 7,000 miles across the Pacific to the tiny island of Guam. I mentally dumped a whole lot of garbage from my thoughts during that flight and prayed to God to help me once I arrived. While in Guam, I searched for a church home that felt comfortable and found it at the Naval Base Chapel on the West side of the island. Annual typhoons became something to expect, and I did often thank God that my housing was not damaged like so many of the islands residents. Going without power for a couple of weeks was nothing compared to those who were forced to live in the “tent cities” that were established to house them.

After five years of island life, and a wonderful teaching experience, it was time to come home and to come back to Valley where my faith continues to guide me through expressions of music and being with young children.

Meet Our Valley Family

On Sunday, June 9, we welcomed to membership four adults, Kristi Albertson, David Caputo, Angela Graham, and Joyce Jenkins along with four confirmands, Grace Baker, Dylan Blair, Anthony Graham, and Maria Rinella (see p. 4).

My name is Kristi Albertson. I grew up on a dairy farm between Bandon and Coquille, Oregon. I graduated from Bandon High School and from Oregon College of Education (now WOU) with a Bachelor of Science.

I have two children, a son and a daughter. My son, Kristiopher, is in the Air Force. He is married to Amanda and they have my eight month old granddaughter, Allison.

My daughter, Patrice, resides with me and is a preschool teacher.

I love to sew and quilt. I have taught sewing, crafts and quilting to children and adults. I volunteered at OMSI in the design lab. I enjoy putting together care packages together for servicemen where I am able to bake cakes, breads, cookies and other special treats.

WELCOME

My name is David Caputo. I was born and raised in Beaverton, Oregon. My parents divorced when I was very young. My mom, Yvonne, is remarried to Steve Rees, who is also a member of Valley. My older sister, Kathryn, and I attended Valley's children's programs and choir while growing up. I graduated from Beaverton High School in 2018. Now I am learning life skills in a Beaverton School District program called CTP (Community Transition Program). One of my hobbies is playing video games. I also enjoy hanging out with my friends as well as singing. I am in the Valley Sanctuary Choir.

WELCOME

Meet Our Valley Family (cont. from p. 7)

My name is Angela Graham. I was born in Klamath Falls and grew up in Milwaukie, OR. I have four children and a son-in-law, Alexis and Ian Wolf, Anthony Graham, Zachary Graham, and Nathan Graham.

I started working at Valley in 1998 as a preschool teacher during the day and working in the office in the afternoons. I switched to the office full time after Anthony was born in 2002. My children have grown up here at Valley and we consider this our second home.

I enjoy drawing, painting, knitting and crocheting, playing the piano and spending time with my family.

I was happy to join Valley alongside my son, Anthony, and am looking forward to our future here at the church!

WELCOME

My name is Joyce Watts Jenkins. I was born and raised in Pennsylvania, attended college in Washington, DC. and worked as Assistant Personnel Officer for National Geographic Society. I married my husband, Bob, who was a Primary Patent Examiner and we moved to Maryland where we raised our son Eben (Ben) who is also a member at Valley. While he attended college, I served as Stated Clerk and Treasurer of National Capital Presbytery in Washington, DC and later served a term in the General Assembly Council, Louisville, KY. My husband died in 2011 and Ben and Wendy prevailed upon me to move near them, Elise and Aaron. I finally made the jump from East Coast to West Coast this past July and moved to the Summerfield 55+ community about ten minutes from them.

I fit into the category of “cradle Presbyterian” and while a member of Potomac Presbyterian Church, Potomac, Maryland, have served as substitute organist, Sunday school teacher, Deacon, Elder, Clerk of Session, and Commissioner to Presbytery, Synod and General Assembly and member of General Assembly Council.

My husband and I attended Valley Community whenever we visited here and consequently it feels much like home.

Receiving line for new members and confirmands.

Earth Care Corner

Did you know...

that there has been an article in Valley's Messenger each month since last July on Earth Care related topics? Topics covered have been recycling options for styrofoam and clothing, options for buying in bulk, rechargeable batteries, less plastic wrap, using environment friendly cleaning products and less paper towels, what to keep out of your recycling bin and what to do with those plastic lids.

Recently I was talking with a valued Valley member. This person initially resisted the attempts to switch from styrofoam and disposable cups during coffee fellowship time to durable ceramic mugs. They would wander back into the kitchen and take from the cupboard a disposable item of their choice to hold their cup of joe.

No longer! They now see the merit in using a washable and sustainable choice week after week and noted some "guilt" when going to a local coffee shop and having to use something that will end up in the trash. Bravo! Taking care of our one and only Earth takes an attitude shift and it takes one person at a time.

On a day to day basis we don't realize that our Portland trash travels **140** miles to the Columbia Ridge Landfill, which is 30 miles south of Arlington in NE Oregon. EACH day **65** landfill bound semi-trailers, each carrying 6-7 garbage truckloads, haul our trash away. What can YOU do today, tomorrow and all your days to come to lessen the impact on our God given Earth?

July Book Group

The Valley Book Group will meet on Friday, July 26, in the Fireside Room at 10:00 a.m. to discuss The Bookshop of Yesterdays, by Amy Meyerson. In this poignant debut novel about family, forgiveness, and a love of reading, Miranda Brooks inherits a beloved bookstore where she grew up solving inventive scavenger hunts and sets forth on a journey of self-discovery through one final scavenger hunt. The clues are hidden for her inside novels on the store's shelves, in locked drawers of the apartment upstairs, and in the name of the store itself. She is led to find the terrible secret that tore her family apart. All are welcome to bring their own coffee and to join in the discussion of this mysterious book.

Prior Elders and Deacons welcome the new church officers.
