

KYLIE COLE

Kylie comes to us with an expansive background in both the educational and nonprofit sectors. She received her Bachelor of Science in Elementary Education from Multnomah University. She was the owner and Director of Cherry Tree Preschool in Hillsboro, Oregon for 4 years before founding and operating a nonprofit called the Capes & Crowns Foundation in 2015.

Her work with children and families battling serious illness and those living with special needs has been life-changing. She is very passionate about serving children and families from all backgrounds by creating a nurturing, safe, and loving environment where they can truly thrive and grow into the amazing humans they are destined to be.

Kylie is married to her high school sweetheart, Jeremy and together they have 4 wonderful boys named Casey (8), Parker (7), Zachary (5), and Jackson (3). They also have an adorable pet bearded dragon named Dobby. Her life at home is filled with (lots of noise!) all things superheroes, Disney, and Minecraft. Kylie is a huge kid at heart!

When she's not at school, Kylie also runs a photography business! She's a major (self-proclaimed) nerd, a big coffee enthusiast, Disney & Rae Dunn mug collector, loves to binge watch her favorite shows like Gilmore Girls and spend time with her friends and family!
