

Joseph's Special Coat Bible Craft

Bible Story: Joseph's Special Coat

Bible Text: Genesis 37

Suggested Learning Outcome: This fun felt craft will remind children of Joseph's special gift from his father.

Supplies List:

- Various colors of felt
- Card stock or card board
- Scissors
- Glue/fabric glue

Teacher Preparation:

Pre-cut card stock or card board into simple coat shapes making 1 per student. Pre-cut strips of felt for students to trim and use on Joseph's coat.

Instructions:

Step 1. Give each student a cardboard coat shape and several strips of felt. Guide students in gluing strips of felt to the cardboard and then trimming the felt to suit the coat shape. (This is easier than trying to trim the strips to fit before gluing.)

Step 2. When the strips are trimmed around the coat, the children can play with their warm, fuzzy, colorful coats.
