I PRAY TO GOD

Sister Gwen Hansborough an usher here at New Life, was inspired by God to write this encouraging prayer:

"I pray to God, that when you enter into the Sanctuary, whether you are a member or guest, you will enter in with a positive attitude and a heart and mind to get an understanding of what God has given the messenger to say. I pray that you will give God a praise, you can sing along with the choir if you feel lead too and you can thank God for another day.

I pray that you will greet the one sitting next to you, especially if that person is a visitor. I pray that you will and offering from your heart, whether big or small, the Lord knows and sees all. I pray that when you leave the Sanctuary, you would have gotten a word for your soul, something to dwell on. If you are not saved, I hope God will prick your heart. I pray that you know the Lord loves you and so do I.

Thanks, God Bless,  
" Sis. Gwen Hansborough"

## D.Y.N.A.M.I.C Debut Holy Ghost in the House

This summer weather was a hot one and not only did it seem to prove to be physically hot but spiritually hot as well. August 28<sup>th</sup> New Life youth group DYNAMIC young people were on fire for the Lord. The children's choir sang praises to the Lord, They proved that God could work mightily through them. They were not playing church but were a reminder of how we all should worship the Lord. The Dance team debut with worship in dance and praise. Not only were the young people but many in the sanctuary caught on fire for the Lord. Many were saved and filled with the precious gift of the Holy Ghost the young people laid on of hands and Deara-Cooper spoke on knowing your identity and Minister Michael Smith spoke on Identity Crisis both truly thought provoking words from the Lord.

## Farewell Tony and Michelle Jones

We bid farewell and God's speed to some of our long time members, who have been led by God into another chapter of their lives. Elder Tony & Sister Michelle Jones an integral part of New Life Pentecostal Church. Elder Tony was the Minister of Music for many years and part of the Ministerial staff. Sister Michelle was the directress of the Hallelujah Choir as well as a faithful Sunday school teacher. They relocated to Alabama. It is our prayer that wherever God places them, they will continue to produce fruit, so that God will be glorified in their lives. And we pray that they will prosper even as their souls prosper.

Their leaving has brought the New Life Pentecostal Music Ministry into a period of transition. We are now seeking another Minister of music who is anointed by God, full of the Holy Spirit and will be faithful to the vision that Pastor Jones has for the church. We believe that soon the Music Ministry will be back on one accord and that God will take them to another level of anointing. A level where the anointed music will prepare the hearts of the people to receive the anointed preached word, so that yokes will be destroyed and people will be saved, healed, delivered and set free.

## Life Enrichment and Development Center Community Health Fair and Back to School Picnic

Our annual event took place Saturday, August 20, 2011 from 10:00 a.m. - 4:00 p.m. We took a chance and decided to do something different this year, we placed all the vendors outside on the lawn. Hoping that the weather would be in our favor, everyone set up outside to prepare for what always proves to be a very busy day. As we got all set up and the people began to approach the rain began to come down. All of the vendors moved into the church. Brother Perkins continued to BBQ and Evangelist Capers continued to pass out book bags filled with school supplies. By 10:30 we were almost out of supplies, The people came into the church waiting to receive book bags, Sister Mikki Graves came to the rescue with more book bags. The dentist, the barbers, the servers and the vendors were very busy serving people. At the end of the day 625 book bags with school supplies had been passed out to the public. Even though it rained outside the sun was shining inside. Thank you to all of the vendors, sponsors, barbers, face painters and volunteers that helped to make this a success. Look forward to your help next year.
