Greetings fellow Constituents of the Regular Arkansas Baptist Convention, Inc., 7/3/20

You are receiving this letter as notification of the extension of the declaration period for those interested in seeking the presidency of the Regular Arkansas Baptist Convention, Inc. This has been a RABC Presidential election year like no other due to COVID-19 restrictions which prohibited any and all convention related meetings and sessions since February. Your health and wellbeing are paramount to our President, Dr. Mackey and the RABC Staff.

It is also extremely important to Dr. Mackey and this committee that no undo restrictions prohibit any interested, qualified person from pursuing the candidacy during this time. Therefore, the deadline to declare candidacy has been extended to August 8, 2020.

One of the criteria for eligibility to declare candidacy is that the church of which the potential candidate is a member, must be and have been in good financial standing with the convention for the previous two years.

Please see the enclosed updated 2020 Presidential pre-election facts flyer for a comprehensive list of criteria each candidate must meet, as well as other pertinent electoral information concerning your church and district association.

Your Faithful Servants in Christ,

*The RABC Credentials & Election Committee*

*Rev. Jerome Turner*- Chairman

*Sis. Antinet Mack*- Secretary

*Rev. Leroy Williams*

*Sis. Berthenia Gill*
