

Family VBA Registration Form

Please fill out this form and return it to the church office by **Wednesday, July 10th**. Along with this form, a permission to participate agreement form must be filled out for each child attending. All forms need to be turned in by the deadline.

For Family VBA , all students are required to attend in the context of a family. These families may be biological, but that is not required. Parents who cannot attend will be asked to have their child attend with another family. It is the responsibility of parents who cannot attend to make sure that their student attends with another family unit and is registered properly. It will be the responsibility of the adults attending VBA to take these students into their family units and lead them just like their own children.
