Emmanuel Lutheran Preschool benefits the community by providing quality Christian education for young children.

Activities in our curriculum are planned to enhance the social, physical, intellectual and spiritual development of each child.

Emmanuel Lutheran Preschool helps make faith real and alive for young children by nurturing in them an appreciation for the uniqueness of self, others and all the wonders of God's creation.

School Calendar Year

School begins the day after Labor Day and ends mid-May to coincide with the UI's commencement. We follow Moscow School District's schedule for vacations, teacher in-service days, and emergency closures.

Curriculum

Emmanuel Lutheran Preschool follows a developmental curriculum based on an understanding of how young children learn. Socialization is a primary concern and is integrated into all areas of the program. Listed below are the curricular areas and general activities for Emmanuel Preschool:

- Faith Development
- Socialization
- Language Arts
- Math
- Science
- Music
- Nutrition
- Social Studies
- Creative Arts
- Physical Activity

History

In 1972, Emmanuel Church Council directed Dorothy Schnaible as minister of Christian Education, to found a preschool as a ministry of the congregation.

Mrs. Schnaible's mother, Thelma Meyer, donated \$1000, and the preschool was born. The original goal was to establish a Christian preschool for children 3 and 4 years of age and for 5-year-old children who are not yet in kindergarten.

Emmanuel Lutheran Preschool admits students of any race, color, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national or ethnic origin in administration of its educational policies, scholarship programs, and athletic and other school-administered programs.
