The Beginning of Father's Day

One Sunday in 1909, a young woman named Sonora Smart Dodd sat in a pew listening to a sermon honoring mothers. Her mother had died some years before, so her father had raised her by himself. She began to wonder why there wasn't a day to honor fathers.

Sonora decided to arrange for a tribute to be paid to her father at a church in her hometown of Spokane, Washington. The date was June 19, 1910. Many believe that this was the beginning of Father's Day.

Another view is that Dr. Robert Webb, pastor of Central Church, in Fairmont, West Virginia, held a service giving tribute to fathers in 1908. Regardless of which story is the correct one, it is certain that President Calvin Coolidge was the first president to choose a special day to honor fathers. He proclaimed the third Sunday in June as Father's Day in 1924.

Sunday's Scripture Segments

Scripture readings for the
5th Sunday after Pentecost
June 19, 2016, are:

Isaiah 65:1-9

The prophet announces God's impatience. The people's self absorption is idolatry, and images from pagan worship fill this reading. Like a vintner who crushes the grape to release the wine, God will use Israel's exile to establish a new community of the faithful.

Galatians 3:23-29

For Paul, baptism is a powerful bond that unites people not only with God but with other believers. Those who call themselves children of God experience a transformation that removes prejudices of race, social class, or gender in favor of true unity in Christ.

Luke 8:26-39

Jesus' mission includes foreigners, and his authority extends to the casting out of demons. Some who witness Jesus' work are seized with confusion and fear, but the man who was healed is commissioned to give testimony of God's mercy and power.

A Message from Pastor Daugs...

Brothers and Sisters in Christ,

Busy summer days are ahead. Vacation, travel, graduation, the cabin, lake, seashore, relaxing at home to name a few. Our congregation is literally off to parts unknown; Alaska, Chile, China, Germany, Spain, Namibia, Mt. McKinley, Norway, and Baja Mexico...

Blessings, peace, safety, re-creation are some of the prayers we will have for each other as these days unfold.

This is also the summer for another kind of re-creation. Doctor appointments. Diagnosis, surgeries, and ongoing treatment. Many congregants are in the midst of major health decisions. Please pray for healing, Jesus' presence, patience, rest, and strength.

Both **Janet McIntosh** (our choir director) and **myself** will be having knee surgery this July. Janet will be having surgery to reattach her kneecap on July 12 in Spokane. I will be having a total knee replacement on July 12 in Pullman. We will both be recovering through the month of July.

So here is how worship will be led:

- **Pastor Dawna Svaren** will be our preacher and presider for July 17 and 24.
- On July 31, Emmanuel Member, **Niklaas Dumroese**, will share with us his recent experiences in Germany at the Syrian Refugee Camps.
- **Laypersons** will be leading worship and preaching on August 7.

Janet will be back in the office by the end of July. **Her husband, daughter, and son** will be watching after her.

Pastor may be back in the Pulpit on August 14. **His wife Kris and two sons** will be watching after him.

Have a blessed summer that is filled with our creator's grace. (And do not forget ELC with your generous summer offering support.)

Shalom,

Pastor Daugs

### MAY 2016 FINANCIAL REPORT

With a 2016 budget of \$363,600, that includes the roof loan, income needs to average about \$30,300 per month to meet budget. Income from the general fund in May totaled \$28,681 and expenses were \$24,848. As a result, the operating income for May was \$3,833 and the year-to-date deficit total is reduced to \$12,760.

The balance on the roof replacement loan today is \$56,244 and our monthly payment is \$987. Since the roof loan was originated last July, the congregation has contributed \$5,650 that was applied to pay down the loan balance.

At the March council meeting, the church council voted to authorize the installation of a new door to the lower level of the church. The new door installation was completed last week. Since we did not have the cash to cover the \$11,535 expenditure, \$10,000 was transferred from our line of credit and the bill has been paid. The church council also voted to have the cost of the door installation reimbursed from the Good Shepherd Fund. That motion will be one of the items of business at the June 26 congregation meeting.

As we transition to summer schedules and activities, please continue your regular support of the important ministries of our church. **Thanks to everyone for their continued generosity.**

Feature: Remembering Harlie Gunther...

Harlie Gunther was born upstairs in a brick bank building in Deary, ID, on November 9, 1924 to Horst and Herta Gunther, who were recent immigrants from Germany. One of Harlie's earliest memories was when he was about 3 years old, a fireman ran up to the apartment, warning the family to stay away from the hot glass windows, because they might shatter due to a hotel burning across the street. The family moved numerous times in Harlie's early years, as his father, Horst, moved his family to Kendrick, Juliaetta, then Elk River and Lewiston, and eventually to Moscow, where Horst worked at various shops, before finally opening up his own "O.K." Barbershop.

As to be expected during that era in Moscow, Harlie got quite good at fighting, as did his brother, Herbert. He graduated from Moscow High in 1942 and attempted to join the military, but was deemed too light to be enlisted. He spent some of his favorite times down at "Perd's cabin," located on the North Fork of the Clearwater River, where they spent time riding logs on the rapids, fishing and having fun. Those youthful memories are now under hundreds of feet of water, with the building of Dworshak Dam. In September 1943, his only brother, Herbert, died in a horrific fire at the Pullman/Moscow airport, while trying to push a plane out of a burning hanger. After working at Hale Motors in Moscow and learning construction at Farragut Naval Station at Pend Oreille Lake, he went to the University of Idaho for a couple of semesters.

After gaining enough weight, Harlie managed to join the U.S. Army in December 1943, and trained as a Combat Engineer near Austin, Texas, at Camp Swift. He was shipped out of New York in a convoy, which according to him, was the worst experience of his life, as many men became sea-sick along the way to England. Harlie landed at Omaha Beach in September 1944 and became part of the newly created U.S Ninth Army. After some training in Normandy, Harlie was moved up to the front lines through France, then later Belgium, Holland and Germany to help build bridges, clear minefields, set up and operate communication centers and drive as a messenger in a jeep for the #1146th Battalion of the Combat Engineer Headquarters for the advancing Ninth Army. The Ninth Army served at various times under both American and British commands, helping Allied troops cross many canals and rivers by rebuilding the roads and constructing various types of bridges along the Allied-Axis front. He was sent home from the European Theater after Germany surrendered, and going first to Ft. Lewis Washington, and then to Camp Pendleton, CA to work as a guard at a U.S Army prison. He was honorably discharged from the U.S. Army as a Sergeant in April 1946 at Camp Beale, California and made his way back to Moscow, Idaho.

Feature: Remembering Harlie... cont.

Harlie began working again at Hale Motors, and shortly later met Shirley Jean Gilliland at the Derby restaurant where she worked as a waitress. They were later married on September 27, 1947. In 1953, Harlie switched employers and began to work at the Motor Pool at Washington State College in Pullman, in charge of the college's fleet of vehicles and eventually became the Supervisor of Heavy Equipment until his retirement in the summer of 1981.

Harlie is survived by his wife, Shirley of Moscow, Idaho; daughters Teresa Davidson of Lake Forest Park, WA and Karen McMillan of Greeley Colorado; sons Herbert Gunther of Hubbert, Oregon, Keith Gunther of Moscow, Idaho and John Gunther of Paradise, California and a sister, Haleen (Tiny) and her husband Don Nepean of Spokane, WA. He has three grandchildren, and three great grandchildren, with one more on the way!

Harlie loved hunting elk and deer with his best friend; the late Wayne Hammond. He loved fishing for cutthroat, enjoyed camping at Priest Lake with the family, and visiting with relatives during the summer. He also traveled back to Europe to visit old WWII sites and to sightsee Europe while visiting his German relatives. Harlie was involved with the local Boy Scouts, the local Moscow Chapter of the Veterans of Foreign Wars, was on the board of directors for the Latah Care Center, was a life-long member of the Moose Lodge, lent much help to Emmanuel Lutheran Church, and was a driver for the Moscow Meals on Wheels. He graciously gave much of his money to charity. He was a strong supporter of ordinary American ideals and American troops, and let everyone have their say after fighting for their freedom. He fought valiantly for his life, not completely understanding how his sore feet turned into a battle for his life, which ended early on June 10, 2016. When the doctor told him there was nothing more that could be done to make him "well", he quietly passed in his sleep that very night on his brand new air bed. We thank all of his wonderful friends, cousins, family, and doctors, especially the people at Good Samaritan Village, who made his life more comfortable and cared for him these last few months. Harlie remained a good soldier, and we will miss him.

There will be a viewing on Tuesday, the 14th of June, from noon to 6 p.m. at Shorts Chapel. The funeral service will be on Wednesday at 1:00 p.m., June 15, at Emmanuel Lutheran Church, with Pastor Daug's officiating. An early lunch/dinner will follow downstairs at ELC, after a brief graveside gathering.

Come and meet up with some old friends and tell us your stories! Donations in memory of Harlie may be made to the Emmanuel Lutheran Church at 1036 West A. St., and/or to Good Samaritan Village

Servant SCOPE

What would **YOU** like to do?

Here's an idea! Make a positive impact on the Sunday experience of all who enter here!

Serve as an Acolyte!

Usually this servant opportunity is reserved for our younger members.

There is a special significance to what the acolyte does.

First, an acolyte lights the candles. This signifies that the Holy Spirit is in the place of worship. By lighting the candles, you show those who worship that God is present in this house.

When you extinguish the candles at the end of the service, you are signifying that the Holy Spirit is leaving the place of worship in everyone's hearts. Lighting and extinguishing the candles generally indicates the start and the end of a worship service.

Acolytes dress in robes, quietly carry torches, crosses, thuribles, alms basins and cruets. A vital part of worship, they blend into the background helping our liturgies flow smoothly, and rejoicing in the privilege to serve at God's altar.

If you are interested in serving as an Acolyte, or you have children that you feel might wish to serve in this role, please speak with Pastor Daugs or Youth Director, Lisa Allen.

J.A.M is in need of some donations of items like:

Gummy Treats - Crackers - Cookies - Fruit Leather - or similar goodies, *(nothing with nuts please)*

for our J.A.M. - Jesus And Me! Sunday School Class.

Pre-packaged, single serving containers work very well in this ministry.

Please leave your donations in the kitchen marked "J.A.M."

Thank you!!!

Meet Our Members...

...a Baptismal Birth Day for

Kaelyn Anne Lichte

Water

Water flows through the Scriptures: the flood, the Red Sea crossing, water springing from a rock to nourish Israelites in the wilderness, the healing of Naaman's leprosy when he washed in the Jordan River, John's baptism of Jesus and, chiefly, our baptism into Christ. The water of baptism symbolizes cleansing from sin, the quenching of our spiritual thirst and God raising us from death (drowning in sin) to life everlasting. Just as we can't live without physical water, neither can we truly live without the living water that Jesus gives (see John 4:13-14).
