## What a Re "TREAT!"

A few weeks ago the church council gathered for the annual retreat—a positive experience that brings members together to share ideas and work toward strengthening the life of our Emmanuel Lutheran Church.

To start off the retreat Pastor Daugs introduced the council to the book "Creating a Healthier Church" by Ronald W. Richardson. The resulting discussion heightened our awareness of how important it is to interact with each other in an atmosphere of mutual trust and respect—particularly when there are differing points of view or problems to solve. This focus led the group to study Emmanuel's Mission Statement, Guiding Principles, Purpose Statement and Welcoming Statement as a Reconciling in Christ Congregation— committing us to being open and affirming toward all people as children of God. Kim Campbell recently guided us in reading the Welcome Statement during the worship service. All of the above mentioned statements and principles are well worth rereading as a starting point for reflection. In between copious amounts of food, humor and "ice breakers", Pastor Daugs also introduced the group to the principles behind the Stephen Ministry and additional thoughts outlined in an article by Peter Stenke titled "How Healthy Congregations Develop Generous People."

Concluding the retreat the council listened to an excellent report by Craig Greenwalt regarding the church roof renovation, Bob Dwelle presented a very

thorough end of year budget report and Jon Kimberling put forward some important information regarding improvements to existing church banking arrangements and in particular his generous offer to serve as a Co-Treasurer along with Gwen Mitchell. The council also identified a number of projects that are ongoing such as the possible expansion of the pre-school program, how Emmanuel can support and sustain a vibrant campus ministry, Family Promise, Palouse Habitat for Humanity, Mission Endowment, continuing improvements to the church building and grounds, encouraging congregational enrichment and worship ministries, special events and seminars. These represent some exciting opportunities in the coming year. My thanks to Pastor Daugs, Kim Campbell, our council members and guests for making the retreat dynamic and meaningful.

**Finally, just a reminder that the upcoming congregational meeting will be on February 15th shortly after the service. There will be a number of items that require your feedback and approval.**

Yours sincerely,

Chris Watts  
Emmanuel Lutheran Church Council  
Co- President

## Our 2015 Lenten Journey

**February 18 – April 3, 2015**

The Season of Lent consists of the 40 days prior to Easter (excluding Sundays from the count). Easter falls on April 5 this year so Ash Wednesday, the first day of Lent, is on February 18. As has been our custom in Lutheran Churches we will observe Lent with weekly opportunities for a meal and brief worship.

The theme for this year's Lenten series is "The Lord's Prayer." We'll be using a "guide" for our journey through the Season entitled "book of faith – Lenten Journey – 40 Days with the Lord's Prayer." Our leaders during these weeks of Lent will be Pastor Daugs, Gwen Sullivan, and Jack Kelly. Each week will focus on one of the 7 petitions of the Prayer. The book gives material for a "Journey" each day during the Season. Our conversation for each week's petition will also continue on Sunday mornings at the Adult Education class at 8:30AM.

**Each of the mid-week Lenten events will begin at 5:30PM with Soup Supper. Study/Devotions/Holden Evening Prayer will follow from 6 - 6:56PM.**

## Emmanuel Lutheran Preschool is Expanding!

In the Fall of 2015, we will begin an afternoon class! This class will initially be offered as a 3 & 4 year old combined class and then will grow into separate 3 & 4 year old classes. This class will be Monday, Wednesday, Friday, from 12:45 - 3:15PM. We are excited about this expansion and want to remind ELC members that Lutherans have first priority in early registration for ALL classes. Because of your attachment and ongoing support of ELC, your children, grandchildren, neighbors and friends have the gift of early registration. **Who can YOU invite to our Christian Preschool?**

## Preschool Discoveries

It has been a good hands on month at the preschool. Terri's classes learned about the five senses with many learning activities. They painted with Jello water when learning about the sense of smell. We had sensory tables for smelling, touching, and hearing. The children listened carefully to animal sounds on tape and tried to identify the animals. They tasted things salty, sour, bitter, and sweet to learn what our tongues can taste and we charted their verbal responses – some were pretty funny. One of the little boys said the bitter baking chocolate tasted like someone threw up a cat.

This month the children engaged in several winter projects learning about ice and snow, making ice sculptures and mitten art, rolling dice and counting snowballs, and many other activities. Unfortunately we haven't had much real snow to play in.

Terri's dramatic play area is a hospital to accompany a unit on health and the field trip was to Nature's Way Dentistry. The dentist office staff gave great interactive presentations in three stations. Marnie's dramatic play area is a pet store and they will go on a fun field trip to Pets Are People Too to learn about small animals and fish

Tina will set up the annual dinosaur land in the fellowship hall for her wonderful day of related music and interacting with the centers to go along with our unit on dinosaurs. She is also preparing the children to sing for the next Preschool Sunday, which will be February 8<sup>th</sup>.  
Terri & Marnie

Another fun five senses day learning about the sense of smell and painting with fruity scented jello.

Not loving the bitter chocolate- get that off my tongue!

Winter week - ice sculpture melting with salt and colored water.

Teacher Tina shows how the long neck dinosaurs got their food.

Open Wide!

# Feature: Raise the Roof!

James Denney, a great Scottish theologian of the last century, once said that he would like to visit every church in Scotland, hold up a cross, and shout to the people, "God loves like that... love so amazing, so divine, so gracious, demands my soul, my life, my thanks, my all." Jesus says in Mark 11:15-17 "God's house is a house of prayer for all people." A place where "All are welcome" to give prayer, praise and thanksgiving to our extravagant Lord.

The first "Capital improvement campaign" for a worship center appears in the bible's second book. Exodus describes events from 1290 - 1250 B.C. during Moses' era. Like all successful contemporary capital improvement campaigns, Moses conducts it separately and apart from the "annual operating budget, which the Israelites supported through money collected from each 'age-twenty-or-above' person at census time (Exodus 30:11-16). Moses asks people to give, "... whatever offering anyone wishes to give ... what had already been brought was more than enough to finish all the work." (Exodus 36:3-7)

2 Kings 12:6-16 (586-539 B.C.) describes Josiah's capital improvement campaign to repair the Temple that King Solomon built. Josiah established a special fund (a box with a hole in the lid), apart and separate from the annual operating budget of the Temple and priestly support. The goal was to collect enough money for repairs needed on the Temple. This special offering is similar to a roof repair or furnace replacement in today's congregations.

Why? Because the Temple has been consecrated, dedicated, to the work of our Lord and Savior. Hold up a cross and shout to the people "God loves like that... love so amazing, so gracious..." Let us dedicate our lives to worshipping Him.

## Treasurer's Report

Income and expenses this year needed to average about \$26,200 per month to meet budget. Income for the general fund in December totaled about \$24,700. Giving by the congregation to the general fund this December was about \$7,000 less than the previous December.

However, the congregation responded generously to the "new roof" campaign by giving an additional \$20,000 during the month for this new project. Total giving to the general fund for 2014 was about \$6,700 more than the previous year. We rejoice for God's many blessings and the benevolence of our members!

Many expenses fell due in December, and expenses paid during the month totaled about \$30,900. As a result, the general fund deficit for the year was about \$12,000. Total expenses paid for the year were slightly below budget (98% of budget).

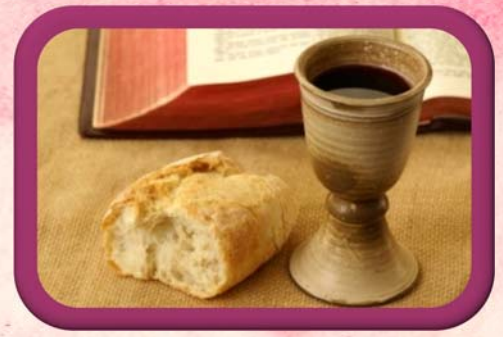

**WHAT WE OWE:** The balance owed on our line of credit to Wells Fargo Bank is now about \$12,900. Interest charged for the past month at 5.75% was about \$58.

**THANKS:** We thank all of you for your participation, enthusiasm and generous support for Emmanuel's life and missions!

### Serve as a Communion Assistant!

Definitely not a difficult job... but what an important one!

Here is what the ELCA describes about Holy Communion:

In the Sacrament of Holy Communion, after hearing and experiencing the good news of Jesus Christ in word, prayer and song, the community receives bread and wine. They experience the tangible presence of Christ by eating and drinking these elements.

The outward signs of the sacrament are simple earthly elements: bread and wine. Yet, together with the spoken promise of God these elements convey the presence of Jesus Christ to the assembly of believers.

Martin Luther said that Jesus is present "in, with, and under" the bread and wine. We believe this because Jesus says it is so (Matthew 26:26-28, Mark 14:22-24, Luke 22:19-20) even when we cannot fully explain how it happens.

The presence of Jesus Christ in the sacrament of Holy Communion is a great treasure that is received in faith. In the eating and drinking of bread and wine, we experience love, forgiveness and life of Christ is ours.

In the sacrament, Christ takes on our sin while we take on Christ's righteousness. The sacrament's emphasis is on God's action rather than the strength of our faith.

# Meet Our Members...

## ... getting to know Chris!

Originally born and raised in England, Chris Watts, 2015 Co-President of Emmanuel Lutheran Church Council, came to the USA at the age of twenty-one to study at Ohio University. He is now a naturalized citizen and has lived in the USA for some forty-four years. His wife, Karen Larson and he met while in Ohio and were married at Messiah Lutheran Church in Galva, Illinois--Karen's childhood Church. They have been married for forty-two very happy and meaningful years.

Subsequent to moving westward, the couple has lived in Ohio, Rhode Island, Washington and Tennessee--returning to Washington to teach at Washington State University in 1988, where he is currently Professor of Fine Art in Painting and Drawing. Prior to his appointment at WSU, Chris taught at the University of Rhode Island, University College London/Slade School of Fine Art, Trent Polytechnic, Nottingham, Gloucestershire College of Art, Cheltenham, Cornish College of Art, Seattle, and Middle Tennessee State University. Of possible interest to the Emmanuel congregation, Chris has a combined twenty-six years of administrative experience as a departmental chairperson at Cornish College of Art, MTSU and WSU--actually, he tries to keep this a secret. So, he has managed budgets, facilities, developed programs and worked with a diverse group of faculty and students.

Through it all, he considers himself an artist/educator and is committed to helping others learn about and enjoy art. As an artist, his work has been exhibited widely throughout the USA and Europe and is included in collections such as the Mondriaanuis Museum, Netherlands, Arts Council of Great Britain, Carnegie Museum of Art, Pittsburg and Washington State Arts Commission.

Through Sharon and Harry Wells, Chris started to attend Emmanuel approximately seven years ago and has watched the, at times, stressful changes that the Church and community have gone through. With Pastor Daus's careful guidance, Chris feels we are entering a new and positive phase. "I care about Emmanuel and in particular the wonderful people that I worship with each Sunday."
