## GROWTH

The first thing I think of when I hear the word growth is the picture of a garden. Probably because I love gardens. The word “growth” may bring something else to your mind. The definition of growth, according to Dictionary.com is:

1. the act or process, or a manner of growing; development; gradual increase.
2. size or stage of development: It hasn't yet reached its full growth.
3. completed development.
4. development from a simpler to a more complex stage.
5. development from another but related form or stage.

As followers of Christ, we want to be growing. Our work is to make our internal “environment” conducive to growth. The actual growth comes from God alone as He works within the environment we prepare in our minds and hearts. *“So neither the one who plants nor the one who waters is anything, but only God, who makes things grow.”* 1 Corinthians 3:7

The preparation we do involves time spent in the Word of God, prayer, meditation, worship, fellowship with other believers and many other things we do.

*“Like newborn babies, crave pure spiritual milk, so that by it you may grow up in your salvation, now that you have tasted that the Lord is good.”*

1 Peter 2:2-3

Growth can also come from our mistakes. The pain caused by a mistake can help us to grow in our ability to be more discerning or to seek out wise counsel before making a big decision. Even the pain caused by others can be an opportunity for us to grow by practicing forgiveness. In so doing, we

imitate the one who has forgiven all of our failures and rebellion.

There are times when God asks us to let go of something and we may not want to let go. I have grown in my reliance on God when I have had to let go of a situation, or a home or even a relationship. When our security rests in anything other than God, we will be called to grow by letting go.

Abraham knew what it is like to leave everything familiar and comfortable and let go. He grew in his relationship with his Lord because of it. Abraham had prepared his internal environment so that he could hear the Lord’s direction and follow Him. It brought him into a much fuller understanding of God and His faithfulness. He grew.

The opposite of growth is regression or atrophy. We can quickly head down that path when we fail to stay close to the Lord. Our spiritual life is a continuum. One way leads toward abundant life; the other way leads to chaos and spiritual atrophy.

I am getting to an age where I don’t feel like there is enough time left to regress or atrophy, and I really don’t have the energy for it! It takes a lot more emotional and mental energy to regress than it does to move forward and grow. Each time I regress, it takes much more effort to get back to where I was before.

There is a law of physics that God has put in motion. The first law of motion says:

**An object at rest remains at rest, and an object in motion remains in motion at constant speed in a straight line unless acted on by an unbalanced force.**

Once our growth is in motion, it will remain in motions in a straight line, unless we become unbalanced in our responsibility to care for our internal environment by preparing our hearts and minds as we keep in relationship with our Heavenly Father.

## ***Expansion of Wind of the Spirit Ministries***

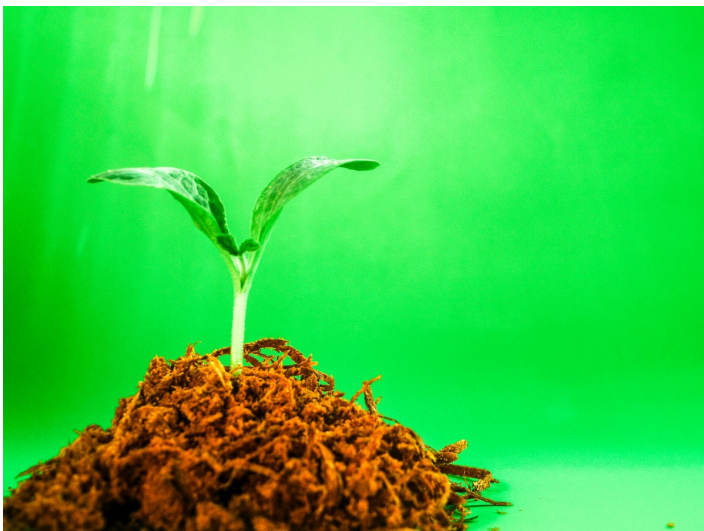

There are big changes happening at Wind of the Spirit! Bob and I (Tracy) are trying to expand the reach of the ministry. To do this, we have moved our residence to Oklahoma so that we can establish relationships with local churches and find a venue in that area for WOSM events.

The headquarters of the ministry remain in Silverdale, Washington. Our offices have not moved. We will continue ministry from Silverdale, with events at least quarterly. That is the plan, but we know that “*man plans his way, but God who directs his steps*”.

All of this is new and we don't know how it will all work out, but Bob and I believe this is where we are supposed to be.

We want to thank everyone who prays, works, contributes and leads in this ministry. Wind of the Spirit Ministries does not belong to anyone but Jesus. It is His ministry and we simply follow Him. Many times in this life we follow without knowing everything up front. It increases our faith as we see God doing what only He can do. And our peace in this is knowing that God will work all things for our good. Praise God!

Please pray for opportunities and divine appointments that open doors for ministry. Again, thank you for your support and for being co-workers with us in the work of the Kingdom!
