## "Ministering in Word & Song"

March 2012

Dear Friend;

What joy it gives me to write to you today. It brings joy to my heart to know that we have faithful people standing with us in this ministry! I read several chapters in Job this morning and I thought to myself how blessed he would have been to have even one of our partners to comfort him. Those "friends" charged Job with evil time and again. The only evidence they had was that Job was suffering. Their rational was that God would not allow such a thing to happen to a person who was truly righteous. WOW! With friends like that who needs enemies? Here is a man who is in the depths of despair and they heap weight upon him in a supposed effort to help him.

Psalms 34 tells us a few things. One, many are the afflictions of the RIGHTEOUS. Just because a person is being afflicted does not necessarily mean that they have earned the situation. Praise God that He delivers us out of "THEM ALL!" Two, the righteous cry. It's amazing that some people preach that if you are right with God you will never have a bad day. The spirit of Job's friends is alive and well. It does not mean that you are unrighteous if you are having a bad time in life. Just remember this: the righteous do cry BUT the Lord HEARS and DELIVERS out of ALL their afflictions! Finally, if you are crying, the angel of the Lord has camped around you with a plan to bring you to DELIVERANCE! Let not your heart be troubled; God is for you and if He be for you who can be against you??

Great things are happening! We just finished extended meetings in Savannah TN. The power of God was so evident that there were MIRACLES every night! We counted at least 14, two of which were verified by doctor visits. One Teen Challenge student had broken a bone in his foot and when he went back to the doctor for a 2nd x-ray, there was no longer any evidence of a broken bone! Another person had a problem in his lungs; medical tests found that he had only 30% usage. After prayer on Monday night, the doctor found that he had 103% usage. How in the world do you get above 100%?! Only God knows the answer to that! I was praying for a person's knee in the altar one night and as I did so, a man sitting on the front row felt his knee pop and was instantly healed! These things are wonderful BUT the most important thing is that FOUR brand new souls were added to the Kingdom as well as approximately 14 more rededicated their lives to Christ. Several were baptized in the Holy Spirit or received a renewal of that experience. God is on the move and WE ARE LOVING IT!!

Thanks so much for all you do to help us fulfill the call which God has entrusted to us! You are a dear friend and you encourage us in ways that I cannot clearly express to you! You are such a blessing to us and we pray that you are healthy and at peace! We pray ALL your lost loved ones come to Jesus! We are believing that you will be blessed and prospered even as your soul prospers!! WE LOVE YOU!
