In 2009 New Covenant Church participated in the REVEAL Spiritual Life Survey to gain a deeper understanding of the spiritual lives of our congregation. The report that was provided indicated that our personal spiritual practices were a high priority for us with a high satisfaction with how NCC ministries factor into that spiritual growth. Also important, was a high participation in faith-based activities which include serving in the church and evangelistic opportunities.

In 2010 and 2014 we followed up with additional surveys to see if we were able to maintain this spiritual growth and the results confirmed that many are growing in their faith. With all their research, the REVEAL team has discovered a spiritual continuum to help us understand the practical ways in which people grow spiritually.

- **Exploring Christ:** People in this group have a basic belief in God but they are unsure about Christ and His role in their lives.
- **Growing in Christ:** The people in this group have a personal relationship with Christ. They have made a commitment to trust Him with their salvation and for their eternity, but they are just beginning to learn what it means to be in a relationship with Him.
- **Close to Christ:** The people in this group depend on Christ daily for their lives. They see Christ as someone who assists them in life. On a daily basis, they turn to Him for help and guidance for issues they face.
- **Christ-Centered:** The people in this group would identify their relationship with Christ as the most important relationship in their entire lives. They see their lives as fully surrendered to Jesus and His agenda, subordinating everything to His will and desires.

With this in mind, NCC is determined to provide growing opportunities for all of our people to be the disciples of Christ who will follow Him no matter the cost. Life Groups are an important way we accomplish that goal. We provide groups in each of the continuum segments so that everyone has a place to grow.

In the Life Group directory, each group has been color coded so you can select what you need to progress on your journey with Christ. Pray and ask the Lord to lead and guide you when you are choosing a group and then trust Him as your faith begins to increase through serving and obedience. (Luke 17:5-10; John 12:26)

### TAKING PRAYER TO THE COURTROOM OF HEAVEN ● ●

Have you every wondered why sometimes heaven seems to remain silent to your fervent prayers? Have you ever felt frustrated and disillusioned that your prayers do not yield results? Prayer, at its very core, is where we insert ourselves into a spiritual conflict. Most instruction on prayer and spiritual warfare teach that we are on a battlefield. This Life Group will take a different approach. We will learn how to take our prayers to the courtroom of heaven. We will study the protocols that must be followed in the courts of God. We will learn how to be a part of the legal process of heaven that grants God the legal right to answer our prayers and fulfill His passion on our behalf on the earth. We will be using the book, "Operating in the Courts of Heaven" by Robert Henderson. Cost for the book is \$15 for a digital copy or \$20 for a hard copy.
