

## What We Value

New Covenant Church's KEY verse: **Acts 10:38** How God anointed Jesus of Nazareth with the Holy Spirit and power, and how he went around doing good and healing all who were under the power of the devil, because God was with him.

Our mission is to be filled and then led by the spirit; healing people both physically and emotionally and showing God's love by doing good deeds to all men.

God created man in His Image. You are a spirit, you have a soul and you live in a body. When Jesus came to earth; His mission was to bring salvation to each of these areas.

### SPIRIT

- NCC is called to release a spiritual awakening upon the people of Western North Carolina! Our primary function is that God's presence would be so strong in our services and lives that others would be drawn to HIM!
- NCC is called to build a spiritual bridge to other churches and organizations! (We build bridges; we don't blow them up!)
- NCC is called to change the spiritual landscape of Western North Carolina!

### SOUL

- Throughout the Old Testament and New, people were influenced by evil spirits. We believe that people who are either possessed or oppressed by evil spirits can experience deliverance by the power of God!
- Years of sin, disobedience and ungodly beliefs can establish strongholds in our lives. Only the truth and the power of the Word of God can break strongholds and allow us to walk in freedom.
- Because we live in a fallen world; each of us has suffered hurt, disappointment or abuse. Through a process of inner healing these wounds can be healed.
- Our main objective is to make disciples of Jesus Christ. In order to be "Christlike", we feel it is crucial that every Christian be in an accountable growing relationship with others.

### BODY

- Our goal is that every person in this community will make our God their God! But, even if they don't, they will be blessed because we are here!
- We are willing to earn the right to preach the gospel to people! By addressing people's physical needs we hope to have the privilege of ministering to their spiritual needs.
- We will give at least 10% of all our income to local and foreign missions.
- We believe that as we serve people, they will become self-sufficient; those who don't are still worthy of care.
- We will develop a culture of community service in each ministry.
