

Dear UBC Family Member,

We rejoice in the Spiritual Gifts we have received from God – and in the desire of our church family to use these special abilities to glorify Him in service to others. God's gifts make each of us unique and equip us to accomplish the tasks He has already planned for us.

1. You will see on the attached WHITE *Find Your Place* form a list of Ministry Teams and other places of service. Every member is encouraged to be involved in at least one Ministry Team and/or additional place of service. After prayerfully considering how God wants you to use your gifts, the *Find Your Place* form is where you are asked to indicate your top 3 choices. All members are encouraged to return *Find Your Place* forms to the church office.
2. If you are wondering about the tasks or mission of various Ministry Teams or places of service, refer to the YELLOW sheet which briefly describes the work of each.
3. If you want to further explore your own spiritual gifts and possible places of service that relate to each, the BLUE sheet can provide that information.

Remember: **The WHITE *Find Your Place* form is the one you return to the church office.** The BLUE and YELLOW sheets are just for your own information.

The Nominating Committee will work to match ministry choices with ministry needs and to provide names to the appropriate contact persons. It continues to be exciting to see all the ways God has gifted our congregation as we move forward in the coming months.

In Him,

Caroline Poe
Minister of Families and Education
