

COACHING

7 Points of Evaluation To Unlock Your Greatness!!!

1. What is locked inside of you that the world is waiting for you to release?
2. The cost of change will always cost more than staying the same. What price are you willing to pay to change?
3. The price you are willing to pay determines the product/results you get. Are you satisfied w/ your products or results?
4. Our hurts and past failures are only milestones for "Points of adjustment" that leads to our destiny. Have you adjusted or abandoned your destiny?
5. The degree of risk you are willing to take is directly related to the degree of breakthrough you can experience. What have you risked or are you willing to risk today?
6. Excuses are the tools of the fearful those who utilize them seldom maximize their full potential. What excuses are you still using?
7. Transformation is a process that increases your potential for future generations. Who is waiting on you to transform?
