

What does the data tell you? In April of 2016, 160 CCPC members participated in an extensive survey of congregational life. The survey is known as the CAT Scan (Congregational Assessment Tool). The Scan is like “holding a mirror up to the congregation and letting everyone tell us how they feel.” The news was encouraging. Compared to other congregations we scored high on energy and above average in satisfaction. The number one desire from members in all age groups was to *“Develop a comprehensive strategy to reach new people and to incorporate them into congregational life.”*

We took the initial data and got your input during last summer’s Deacon Cluster gatherings. From this additional data, we instituted some additional programs. We started Wednesday Night Live as an additional fellowship event. We added some additional hands-on mission projects (notably a second week of Warm Nights: May 14-21) and a multigenerational Mission Trip to West Virginia (June 25-July 1).

The survey indicated some significant differences along generational lines. 85% of survey takers over the age of 45 were very satisfied with worship and music. They indicated the music was *“outstanding in quality and appropriate in style”* to our congregation. However, the response in the under 45 age groups tells a different story. These members felt our style of worship was lacking in the experiential components that attract and retain younger members and visitors.

The survey data agreed with other data we have always collected, i.e., worship attendance. Since we moved to a blended service at 10:30 and a chapel/communion service at 8:30, we have not had any new members under the age of 50. Participation rates have been stable for our older members, but have leveled off and declined among younger members. When we have added contemporary music to the 10:30 service, there has been resistance because “we like things the way they are.”

We have noticed that when we introduce newer contemporary music during Children’s Sunday, Youth Sunday and the Christmas program, we have much higher participation rates among our younger members.

The CAT SCAN committee recommended that the Church go back to offering two different musical / liturgical styles of worship starting this coming fall. We will offer a contemporary Worship service at 9am and move our blended worship service back a half hour to 11am. Sunday School and Adult Education will start at 10am. We call this the **9-10-11** Schedule.

We designed this new schedule with several things in mind. First, we wanted the **least disruptive changes**. Throughout the history of CCPC’s contemporary worship services (The Folk Group and the recent Contemporary Service), have always been at the early service. We believe a 9am start time works better for younger members and their families.

After consultation with our existing musical staff, we have decided that this position requires a new staff person with experience in the emerging contemporary worship styles. The CAT Scan team recommended that Session appoint a search committee to hire a Contemporary Worship Leader for this service. This recommendation was approved by the Session at their April meeting.

The Contemporary Worship Leader will have the authority to select, integrate, and plan music for the early worship service. He/she will be responsible to recruit and train volunteers.

The Session appointed the following members to the Search Committee. Elder Brian Cable (Chair), Susan Ricci Rogel (Music Director), Justin Devine (CE Director), Elders Alex Bourne, Joi Kesner, and Carrie Bence. At large: Kimberly Dgiduch, Debbie Armstrong (Deacon), Youth member Alexis Ayuketah. Kevin Clemence and Rev. Brassard will also be helping with the selection process.

We have posted the position on two church staffing websites. Our goal is to have someone in place for the September 10 fall start up. We will again use the summer Deacon Cluster gatherings to answer your questions and to further explain the rationale for these new ventures.

Thank you for your support and flexibility as we try to further the reach and impact of CCPC.

# Worship Notes

**May 14th Mother Day:** We begin a three-week series on *Book of Galatians*. Chapter 2 trumpets what becomes the great Reformation call “Justification by Faith.” A growing church tries to open its doors to people who lacked the beliefs and practices of the existing members. Conflict explodes! *Galatians 1:13-17; 2:11-21* and *Acts 15:1-18*. Title of sermon “Whose Bridge Too Far?” The Presbyterian Women will present their “Woman of the Year” award.

**May 21st Music Sunday:** Sermon is from *Galatians 3:1-9, 23-29*. Paul makes the argument that it is possible to be loved and accepted by God while we are still sinful and imperfect. Once we are accepted by God, we begin the process of becoming part of God’s family. This includes following God’s rules.

Everyone is invited to Dodds Hall at 9:30am for breakfast and the closing ceremonies for the Sunday School term. Bibles will be presented; teachers will be honored. We will conclude the gathering by processing into the Sanctuary for the special music that begins Music Sunday.

**A congregational meeting to elect Elders and Deacons will immediately follow the 10:30 service on May 21st..**

**May 28 Memorial Day: One Service only at 10:30am.** American’s celebrate our freedoms. In *Galatians 5:1*, the Apostle Paul boldly proclaims, “For freedom, Christ has set us free.” Everything about the Christian gospel is freedom. Jesus’ whole mission was to liberate. However, Paul then warns of the dangers in misusing our freedoms. Sermon title: “Freedom: Don’t Lose It and Don’t Abuse It.”

Also, the City of Bowie will be holding their annual Memorial Day Parade on Saturday, May 27, 2017. The parade will begin at 11 am and end approximately 1 pm. The route will be the same as last year’s, which starts at Bowie High School Annex on Belair Drive, turning right and continuing down toward Sussex Lane, directly pass CCPC.

**Please note the road in front of the church will be closed during this time. You will not be able to drive on Belair Drive or into the church parking lot.**
