

CCPC Capital Drive for Video Streaming Equipment

If you can and wish to help CCPC reach our goal to spread the reach of our ministry outside of our physical walls

One year ago, CCPC had to suspend live services in response to the COVID-19 pandemic. We started streaming worship services.

We plan to continue streaming services after we return to in-person services. To do this we need to purchase equipment.

We are holding a capital drive to raise \$17,000 to purchase this equipment.

We ask your help in funding this drive that will expand the reach of CCPC's ministry beyond our walls.

The first donation to this drive comes from the Rev. James Brassard Memorial Fund.

To donate you can send a check with "Video Equipment" in the memo or go to our website and select:
