EARS TO HEAR

HAPPY HOUR

A Christian Community Presbyterian Church Club

A podcast is an on-demand radio-style program. Ears to Hear aims to be what a book club is, but for podcasts. There is a wealth of storytelling, history, and even fiction in modern podcasts!

Series #3 of the Ears to Hear Happy Hour will focus on Garrard Conley's *UnErased*. Listen to the week's episode before each weekly gathering.

This series contains mature and graphic content
