EARS TO HEAR

HAPPY HOUR

A Christian Community Presbyterian Church Club

A podcast is an on-demand radio-style program. Ears to Hear aims to be what a book club is, but for podcasts. There is a wealth of storytelling, history, and even fiction in modern podcasts!

Series #4 of the Ears to Hear Happy Hour will focus on the New York Times's *Rabbit Hole*. You can access the podcast on a variety of apps or the link below. Listen to *One: Wonderland* before our September 17 gathering. We'll listen to one episode per week afterwards, skipping October 8.
