

Movie Watch Party

Christian Community Presbyterian Church
Bowie, Maryland

The Inclusion and Diversity Committee of Christian Community Presbyterian Church invites you to join us for a movie discussion on Zoom. Please take time to watch the movie “American Son” prior to the discussion via Netflix.

American Son takes place in a police station as a mother (Kerry Washington) tries to find her missing 18-year-old son in the middle of the night. This movie challenges assumptions by the officer and audience, and brings to light overt and hidden racism, sexism, and classism in police procedures.
