“Why We Need This Women’s Retreat”

- 1. *Because it’s hard to hear God’s voice above the noise of every day.*

Very early in the morning while it was still dark, Jesus got up, left the house and went off to a solitary place, where He prayed.

Mark 1:35

- 2. *Because we need each other.*

Faith is contagious, Just like viruses, it can pass from person to person through close contact. Today’s busy world allows little time for women to share their faith, stories, pray together and hear biblical messages which are written especially with them in mind. We sill share and learn together from women’s testimonies of faith and encouragement.

Hebrews 10:25

- 3. *Meeting together spurs us on to love and good works. Hebrews 10:24*

- 4. *Standing side by side with our Sisters in Christ, and worshipping, praying and learning more about how faith and trust in our Lord and Savior, Jesus Christ will strengthen our walk with Him and our will to do things His way.*

When we join together singing and praising God, we experience great joy. Together we can bear each other’s burdens.
