» Description

Rev. Dr. William Zachary
Course #4032 Reclaiming the Religion of Jesus
subtitle: The Christian Message to our Present World

This course seeks to present the dynamic message of the gospel in our world under adverse conditions. Students will discover the changeless message from the times of the Lord Jesus Christ when the world of His time also faced adverse conditions.

Rev. Dr. Ronnie Tucker
Course #1108 The First Letter of John

The main themes of the epistle are **love and fellowship with God**. The author describes various tests by which readers may ascertain whether or not their communion with God is genuine, and teaches that the proof of spiritual regeneration is a life of active righteousness.

Rev. Richard White
Course #9911 How We Do What We Do!

subtitle: The role of the Associate/Assistant Minister in the Post-Pandemic Church
Often there is tension in the church because there is no clear-cut distinction on the role of ministers who are members of the church. This seminar will seek to give some biblical and ethical clarity to that role.
