# **BOUNCE INTO FALL**

**Friday, August 15, 6-8 PM**

**Meet the Superheroes of the Y!**

**We invite families and people of all ages to discover how the Y can enrich your life this fall.** Kids will enjoy expressing their creativity by making superhero masks with a Y art instructor, discovering their athletic skills with a football challenge or just having fun in the bounce houses. Adults can experience YMCA boot camp and play a new sport—pickleball.

Plus, we'll be serving a free supper and you have the chance to win a free pass to a YMCA family program.

Participants may add to the fun by wearing their favorite superhero costume to the event.

**No Fee.** Open to the public.
