TIM'S NOTES

MISSIONS THROUGH THE ARTS

Thank You for supporting and helping us raise money for **MISSIONS THROUGH THE ARTS** through the Valentine Banquet. This money will help all of the students defer some of the cost for the trip. The next Banquet will be the evening of June 2nd at 5:30 pm and our Student Choir will be presenting Rise & Shine which is the musical side of Mission's Through the Arts. The money raised will help with the mission side of the mission project. We will let you know more about that later.

We will be leaving at 6:00 am on June 6th and returning on June 9th. The trip will have several components to it. We will do a **Block Party** (to help the church get into the community), as well as singing and witnessing at **Point Orlando** and of course we will have several Work Projects.

This year our **Work Projects** will be a joint effort with **Matthews Hope, Next Community Church and Do Good Farms** in Winter Garden. Scott Billue, the Pastor of Next Community Church began working with the homeless 7 years ago. We will be helping them with some construction work renovating/ landscaping. We will also be helping with a ministry partner of theirs called **Do Good Farms**, which provides food for the homeless locally and globally. More details to come.

Matthew's Hope is a central location within walking distance of 20 tent communities on the east side of Orange County. Also, many of you have asked **How can I help?** There are three ways: first you can pray. Pray for Pastor Scott & I as we continue to pray about how we can best help them in the time we have together in Orlando. Second, get a ticket to the banquet in June to help us defer some of the expenses while doing the projects, and third, there are some that need help beyond what were able to help. Many of you help us with a scholarship to help someone on the trip. If you can help with some or even part of a scholarship it would be deeply appreciated. The cost for one person is \$190.00.

Below you will read the scripture that is the footprint for Matthews Hope and some needs they have. We will be collecting these items at the Church Office for anyone that God leads. Please pray for us as we go in His name.

Matthews Hope

Lending a hand where we can...to our friends in the woods.

Matthew 25:35-40

35 For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in,

36 I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me.'

37 "Then the righteous will answer him, 'Lord, when did we see you hungry and feed you, or thirsty and give you something to drink?"

38 When did we see you a stranger and invite you in or needing clothes and clothe you?"

*39 When did we see you sick or in prison and go to visit you?'
40 "The King will reply, 'I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me.'*

FROM YOUR DEACONS

"But grow in the grace and knowledge of our Lord and Savior Jesus Christ. To Him be glory both now and forever! Amen" II Peter 3:8

"Do not conform any longer to the pattern of this world but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is – His good, pleasing and perfect will." Rom. 12:2

Meaningful change is probably one of the most difficult things for us to successfully accomplish in our lives. We get into our comfort zones. We form habits, develop patterns, get in ruts and settle into preconceived mindsets about ourselves. Once we're there, it's hard to change some of those patterns and habits to which we've grown accustomed. But, changing and growing is part of what being a disciple of Jesus Christ is all about!

If we examine Jesus' life closely, much of the way He lived was about change – changing traditions, religions, relationships, and lives. And He wants to do that in our lives too. He wants to change and transform us from what we are today into what He has called us to be. Why bother even following Christ in the first place if, in the end, we aren't really willing to be different? Dr. Howard Hendricks, a distinguished professor at Dallas Theological Seminary says:

"I must keep growing and changing. The Word of God, of course, does not change, but my understanding of it does change because I am a developing individual. That is why Peter could tell us at the end of his second epistle, 'Grow in the grace and knowledge of our Lord and Savior Jesus Christ.' Such a philosophy requires an attitude that you have not yet 'arrived.' A person who applies this principle...is always asking, 'How can I improve?'" (Dr. Howard Hendricks, Teaching to Change Lives 17 (1987))

If we are truly going to be a disciple of Christ, we've got to learn more about Him, let what we learn deepen our relationship with Him and let that relationship change and transform us. Then we can go out and be "salt and light." (mt. 5:13-16) Think of it like this:

*"The simplest definition...of learning is this: Learning is change. Essentially, learning means a change in your thinking, a change in your feeling, a change in your behavior. Learning means that a change takes place in the mind, in the emotions, and in the will ...Paul says, "Be transformed by the renewing of your mind." It's by **transforming**...Change. Radical change. Thus we are conformed to the likeness of God's son." (Hendricks, 88, 89)*

When we are exposed to the Word of God it **will** change us. It may not be comfortable, but, in the end we will be transformed to look more and more like Christ in our spiritual lives. This is discipleship!

Our staff has challenged us to be a committed disciple of Jesus Christ by engaging in three types of relationships in 2013 – Paul (being a mentor), Timothy (being mentored) and Barnabus (being an encourager). Many in our church body have already taken steps to begin forming those types of relationships. There have been some encouraging testimonies circulating that are arising from those relationships.

In the coming weeks, there will be more information about some purposeful opportunities our church will provide to encourage those relationships to form and grow in small group settings with some fantastic small group study materials to help facilitate those groups. Stay tuned for more information and begin praying in earnest about how God is seeking to grow you through this endeavor. The Deacons look forward to helping support this vital step of spiritual growth for our church! May our church be like the early disciples in Acts 17 so that the world will be compelled to testify, "these are the ones who have turned the world upside down!" (Acts 17:6)

As Deacons, we continue to be privileged with the opportunity to minister to our Church Body and help meet needs. If you are aware of someone in our church who is sick, who is in the hospital or who has another significant need, please help us by calling the church office or the team leader of the current Deacon On-Call Team. These are the current and upcoming Deacon On-Call Teams:

Library News:

For the month of April, Kingdom Kidz will be learning about friendships. There seems to be a disconnect within our culture now a days with understanding the friendship that we also can have with God. We will be studying Proverbs 17:17 that says:

"A friend loves at all time. He is there to help when trouble comes."

Understanding that God is the source of this friendship is such an important virtue. Trusting God through all circumstances and coming to Him in those times of trouble. There will **NOT** be Kingdom Kidz on April 28th. Thank you so much for the opportunity to invest in your children's lives for the King's glory!

In Him-
Bro. Nick Carter

Here we are again preparing for the April Builder. My, how time is flying. I'm not going to admit my age. Sayings have it, the older you get the faster time goes. I for one am taking each day as it comes. I believe my Lord would have me to do this for myself. I am so thankful for each day that He gives me.

The library has switched over to the web base site of our AR reading program. We are in the process of letting the teachers know and showing them how to use this site. Under the old plan we were not able to purchase the newest AR quizzes as of July 1, 2012, plus the charge for a quiz had gone from \$3.99 to \$4.99 each. Hopefully this will save some money for the library each year.

For those of you who have read and still enjoy reading Beverly Lewis' books, just want to let you know that she will be in Gainesville, for a Book Signing of her new book at Barnes and Noble on Archer Road, Tuesday, April 9th at 10:00 am.

We welcome you to stop by the library display window and take a look at the homemade tomb where Jesus was laid and resurrected from. We want to thank Melissa Levanduski for making this for the Library. It will always be sued for our Easter display. A job well done.

Two new books we would like to suggest for pleasure reading, one that our men might enjoy and the other our women:

Thunder in the Morning Calm by Don Brown: "Lieutenant Commander 'Gunner' McCormick is assigned as an intelligence officer to Carrier Strike Force 10, being deployed to the Yellow Sea at the invitation of South Korea for joint exercises with the US Navy. During his pre-deployment briefing, he discovers a TOP-SECRET MEMO revealing rumors that the North Koreans may still be holding a handful of elderly Americans from the Korean War in secret prison camps. As it happens, Gunner's grandfather, who was a young marine officer in the Korean War, disappeared at Chosin Reservoir over 60 years and is still listed as MIA in North Korea. Sworn to silence about what he has read, the top-secret memo eats at him. Gunner decides to spend all his inheritance and break every military regulation in the book to finance his own three-man commando squad on a suicide mission north of the DMZ to search for clues about the fate of his grandfather. Risking his career, his fortune, and his life, Gunner will get his answers, or he will die trying."

A former Navy JAG officer and action officer in the Pentagon, Brown pens action-packed plots and finely-drawn characters that are credible and compelling. This is a novel of bravery, duty, and family love that will keep readers of all ages reading straight through to the last page. (Call # F Bro Pac 01)

Lily by Diane T. Ashley and Aaron McCarver: "Cruise down the Mississippi with Natchez Belle Lily Anderson. Needing to provide for herself and her sisters, Lily is desperately trying to make a go of a riverboat venture with co-owner, Blake Matthews. But they fail to find anything to agree upon. Blake is enamored of the feisty Lily. Attempts to woo her may be lost to the devious Jean Luc Chamapney. As their riverboat enterprise erupts into turmoil, can Lily and Blake discover that God is the One they can count on when all else fails? Will the siren song of the river evolve into a serenade or a somber lament?" (Call # F Ash Son 01)

May 8: Kindergarten Musical, FCA Theater, 10:00 am

May 15: Sinfonietta Musical, FCA Theater, 10:00 am

FCA School Board Members: Kathy Barnes, Steve Burroughs, Shelly Donnelly, Randy Keene, Ruth Lord, Drew Mock, and Kim Teele. Amy Buzbee, Chairman, writes "The end, then, of learning is to repair the ruins of our first parents by regaining to know God aright, and out of that knowledge to love Him, to imitate Him, to be like Him. (17th century Christian, poet, statesman, and thinker, John Milton, "Of Education"). Amy further states "FCA has, from the beginning, been dedicated to educating children to know and love God. John Milton expresses this so much more eloquently than I could have done, but 400 years later his words about our purpose in education are still true. The greatest commandment is to Love the Lord your God with all of your heart, all of your soul, all of your mind, and all of your strength. We often discuss loving God with our hearts and souls – and even with our strength. But, when we consider loving God with our minds, too quickly, we assume that God simply means that we are to think about Him. And we are! But, loving God with our minds goes beyond simply thinking about God. Loving God with our minds means that we think about ALL the things the way that God thinks about ALL things. This is education from a Biblical worldview. And this is how we will rightly "know God aright, and out of that knowledge to love Him, to imitate Him, to be like Him" as John Milton stated. It is our goal, as the Board of FCA, to seek God's vision and press toward the future which God is leading FCA. To that end, we are striving to align ourselves with God's Word and better understand what thinking Biblically is really about – especially in terms of education. Please, pray with us, and for us, as we look to our Lord, and seek to have the mind of Christ, that His will and vision will be clear.

Ongoing Fundraisers: Here at FCA, we have several fundraisers that go on year round. We appreciate all of our parents and church family helping in the collection of the following: Campbell's Soup Labels, Box Tops for Education, Tyson Project A+ labels, Sunny D Labels, and Coke Rewards. We are no longer collecting ink cartridges. We appreciate all of the generous support you have provided while we were collecting the cartridges.

Fine Arts News, Mrs. Shoran Potter: Grades second through Sixth are preparing for Sinfonietta which will take place on May 15th at 10:00 am in the Theater. Our Second grade students are learning to play the "Song Flute." Students study musical symbols, music notation, and rhythm. Our Third grade students are learning to play the "Flutophone." The Fourth grade students are learning to play the "Soprano Recorder." The Fifth and Sixth grade students have been studying Advanced Music Theory. These students may choose between the soprano, alto, or tenor "Recorders" for class. Grades Seventh and Eighth are studying Beginning Acting; Introduction to Theater. Our older students will study the history of theater and beginning acting. II Timothy 1:6 "Therefore I remind you to fan (stir up) the gift of God which is in you through the laying on of my hands."

Archery Team, Mr. Pat Combs: According to George B. Eager, "the art of using the bow and arrow for hunting and in battle is of great antiquity." It is mentioned in Genesis 21:20, as well as in the Iliad and the Odyssey and depicted on Egyptian monuments and Assyrian sculptures. The Philistines excelled in the art, which led David to order that special training in it be given to the Hebrews, 2 Samuel 1:18. It was an important art throughout the word in Biblical times – Genesis 27:3, Isaiah 22:6, and Psalm 127:4. The bow was common to civil and military life and views with the spear in importance. It was usually made of tough, elastic, seasoned wood, and often mounted with bronze, in Psalm 18:34 and Job 20:24. But horn, too, was used for bows by the ancients, some with double curves being evidently modeled after the horns of oxen. The bow-string was commonly ox-gut and the arrows were of reed, or light wood tipped with flint, bronze, or iron. The battle bows, such as are mentioned in Zachariah 9:10 must have been of great size, since they required to be strung by pressing the foot on the lower end, while the upper end was bent down to receive the string into a notch; hence the expression "to tread (string) the bow." The arrows, "the sons of quiver," Lamentation 3:13, were ordinarily carried in the quiver, which was either placed on the back or slung on the left side, secured by a belt over the right shoulder.

Physical Education, Mr. Shane Johnson: Physical Education classes are on Thursdays for grades K-2 and on Fridays for grades 3-8. "Lord, teach my children perseverance in all they do, and help them especially to run their race with perseverance." Hebrews 12:1

Technology Teacher, Melissa Levanduski: We are so grateful for the computer lab that we have. Melissa Levanduski is working to create a syllabus for next school year so that we can use it as Specials for 5th – 8th grade students. She is skilled in computer

usage and certified in numerous software programs. The students will be specifically learning typing skills, word processing, (Microsoft Word), and internet-based research skills. Along with these, Melissa will also be teaching basic computer usage and computer components. Our donated SmartBoard and HD digital projector has been installed. We also have a digital projector and speakers which have been set up on a mobile cart with laptop, which can be utilized through-out the school. It is namely for Art classes but may be used in other classrooms as needed. It can project onto white boards or a blank wall. A wonderful sound system has been installed as well so it can be used as a mini movie theater, if the need arises for showing educational videos.

Our web address is: www.fcahighsprings.org "May my children be filled with the joy given by the Holy Spirit." I Thessalonians 1:6

Volunteers: To be able to volunteer in the classroom or go on field trips we must have a cleared background screening. Stop by the office to fill out paperwork.

Pre-School: Rachel Gillis (Director), Lindsey Bigelow, Amanda Brown, Cindy Collins, Erin Emerson, Margaret McQuatters, Gay Moody, Jennifer Newman, Dede Stephens, Shelby Waldron, Amber Withey, and Sierra Withey: ELC opened VPK registration for 2013 – 2014 on April 1st. "Let love and faithfulness never leave my children, but bind these twin virtues around their necks and write them on the tablet of their hearts." Proverbs 3:3

Mrs. Lori Clark, Kindergarten, Renee Deese, Aide: Kindergarten has been studying God's plan for Weather. We have also included The Water Cycle and air currents/pressure. We have flown kites and learned a song about the water cycle and vocabulary (condensation, precipitation, evaporation). We have learned all of Psalm 100 and Psalm 23 and can recite them beautifully. All Kindergarteners are reading and enjoying the use of our Library. Thank you, Mr. and Mrs. Bridges and all their helpers! We love Accelerated Reader. "May my children always be merciful as their Father is merciful." Luke 6:36

Mrs. Kim Friar, First Grade: We are excited about our field trip to the Museum of Natural History for a fossil tour and to explore the Butterfly Rainforest on April 24. In Math, we are studying story problems, time, adding and subtracting to the twelfth family, money, temperature, ordinal position, months of the year and all calendar related problems. We have started carrying over to the tens columns and adding coins! In Phonics, we have finished introducing special sounds so we are really getting them memorized now.

(Continued on next page)

We are also doing ABC order and contractions, as well as opposites, prefixes and suffixes. The students are becoming great readers! In Writing, we are starting to write short stories. We are focusing on good titles, starting with a capital and ending with proper punctuation. We have written stories about frogs, butterflies, and fishing trips. In Bible, we have been studying about Jesus' life and crucifixion. We will be moving on to His resurrection! Hallelujah! We are now working in our Health, Safety, and Manners books. We are studying about how to stay healthy eating right, getting enough sleep, and being active. We have a new student in first grade. Her name is Harle Locklear. We stay excited about what God has in store for us. This year has been such a blessing! "Grant that my children may be generous and willing to share, laying up treasure for themselves as a firm foundation for eternity." 1 Timothy 6:18 - 19.

Mrs. Martine Wikstrom, Second Grade: "I pray that they may grow in the grace and knowledge of our Lord and Savior Jesus Christ." 2 Peter 3:18

Mrs. Kelli Rumore, Third Grade: "May integrity and honesty be their virtue and their protection." Psalm 25:21

Mrs. Vicki Johnson, Fourth Grade: Our students and chaperones enjoyed a field trip on March 28th to the Planetarium and Santa Fe College Zoo. "Father, help my children not to be like many others around them, but let them be alert and self-controlled in all they do." 1 Thessalonians 5:6

Mrs. Whitney Bussey, Fifth - Seventh Grade Language Arts/Writing: Our Maggie Zawoy has been selected as one of the 75 runners-up for the Storyworks "Create a Character" Contest sponsored by Scholastic, Inc. Her entry was handpicked from over 6,000 entries. That is quite an accomplishment! Maggie's work was deemed "especially creative, imaginative and original. We are so proud of her! Fifth through Eighth graders will be applying their knowledge of grammar into writing for the last nine weeks of school. Art in the Park was terrific! Our middle grade students shined! "Create in them a pure heart, O God, and let their purity of heart be shown in their actions." Psalm 51:10

Mr. Pete Collins, Fifth - Seventh grades, History and Spelling/Poetry: "May my children grow to find your Word more precious than gold than much pure gold, and sweeter than honey from the honeycomb." Psalm 19:10

Mrs. Reba Land, Fifth - Seventh grades, Science and Reading: "God, please cultivate in my children the ability to show true humility toward all." Titus 3:2

Mrs. Melody Petteway, Fifth - Seventh Grades, Math and Algebra: We continue to discover new math concepts each day as we study Geometry and Inequalities. We are also preparing,

with practice materials, for the SAT 10 after Spring Break. We serve a RISEN Savoir! Hallelujah! Hope everyone had a blessed Easter season and realize more each day the sacrifice Jesus made for each one of us. May this reality draw each of us closer in our relationship with our Lord and Savoir, Jesus Christ. "God, help my children to love justice as You do and to act justly in all they do." Psalm 11:7; Micah 6:8

100 CLUB PROJECT

The next 100 Club Project is Saturday, April 13th. We will be building a small front deck and steps, installing flooring and doors and finishing some sheetrock work for a needy family in Suwannee County. Sign-up sheet is in the Church Foyer along with directions.

LADIES BIBLE STUDY

A new Ladies Bible Study will begin Wednesday, April 10 at 7:00 pm in Room B-22. It is a seven-week study entitled "One in a Million" by Priscilla Shirer. We will be learning in His Word how we may take the journey of faith to our promised land. A sign-up sheet is in the Foyer and the cost of the study book is \$12. For more information, contact Sandy Carter at 386-497-2762.

VICTORY CUP CHALLENGE

The work days for the cars will be Saturday, (9:00 am - 12:00 pm) April 13th and May 11th by the Children's Ministry Building. K-5th Grade students and Children's Ministry Workers cost is \$5 for a car kit. The weigh-in and qualifying will be on Friday, May 22nd at 6:45 pm and Race Day will be on Saturday, May 29th at 6:00 pm, in the Gym. For more information, contact Jeff Friar.
