October Special Offering

On Sunday, October 2 during worship services a special offering will be collected for **World Communion Sunday**, one of the six churchwide special Sundays of The United Methodist Church. Please make checks payable to *King Avenue UMC* and indicate *World Communion* in the memo line. Envelopes, inserted in both services' bulletins, will be available for your use.

Additional Worship on Sunday October 16

Because of the Columbus Marathon, King Avenue will have an additional service on October 16. Our worship services will be held at 9:00am, 11:00am, and 2:00pm. The afternoon service will be in the Sanctuary.

We hope this special service will give everyone an opportunity to get to King Avenue that day!

All routes to the church should be open by the afternoon. Please read below what the marathon planners have told us about access to the church in the morning.

The marathon will likely be affecting roads surrounding the church between 9:00am and noon. If you can get to State Route 315, you should be able to get to church.

From the north: Take 315S and get off at King/Kinnear by Lennox

From the south: Take 315N and get off at Medical Center Drive/King Avenue

From the east or west: Get yourself to 315S or 315N, then follow the above directions!

Please note that westbound King Avenue can be backed up between 315 and the church. Once you are on King Avenue, you may want to consider taking one of the alleys that run parallel on either the north or south of King Avenue. The alley to the north will take you to the Pennsylvania lot. The alley to the south will lead to the Circles and the church lots.

One way or another, we hope to see you at worship on October 16!

NEW LIFE UMC by Bill Albright

Winter Coat Extravaganza

These coats will be distributed through their clothing ministry. Their goal is to have a warm coat for everyone who needs one. Their neighbors are affected by homelessness and a warm coat may be a small thing but in their lives it has a high impact.

We need coats in all sizes for men and women but especially in children sizes. New or gently used coats are gratefully accepted. Please place your donation in the New Life collection box in the hallway behind the parlor. The collection will take place through Sunday October 23, 2016.

WHEN KIDS COME OUT

What happens when a child comes out to his/her parents? The experience often raises many questions for both the child and for the family. For example:

What does it mean for the family when a child comes out to his/her/their parents? What does it mean for the parents' relationship to their church? What does it mean for the parents' own faith? How do parents navigate their own "coming out" after their children have come out to them?

These questions are among those that will be addressed in the four-session class that will be held on Wednesday evenings from October 19 through November 9 at the Worthington United Methodist Church. The meetings will begin at 7:00 pm and conclude by 8:30 pm. The church is located at 600 High Street, Worthington. Parking is available at the church. Look for signs directing you to "Kids Coming Out" class.

The aims of the group include: Providing a safe place for parents and family members to share their stories about their LGBT sons and daughters and their relationships with them. Offering support and encouragement for parents as they support their child who has come out as lesbian, gay, bisexual, or transgender. Helping parents navigate relationships in the local congregation in which the parents participate after a child has come out. Supporting parents as they come out as parents of an LGBT child to other family members and friends, and those in the church.

The Rev. Jim Waugh, retired pastor in the West Ohio Conference, will lead the group. Jim and his wife, Carol, have an adult daughter, Lisa, who came out to them several years ago. Jim is also a member of the Steering Committee for the Parents Reconciling Network.

Participants in past groups report that the group was helpful to them. A few comments include:

"Learning about how others have navigated 'coming out' (as parents)."

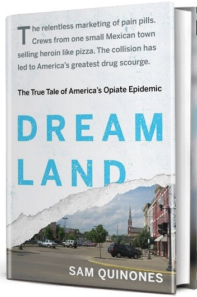

"The brochures/readings as well as general discussion around these topics."

"Just being able to share and know there would be no judgment."
