Hobbies/Interests: Church, shopping, traveling, writing, spending time in the mountains with family!

Favorite Bookstore: Barnes and Noble

Collection: Journals =)

Classroom Wishes: I am going to figure out the organization I need first!
I definitely want to add more color, a different rug, and curtains.
I want to make it our own, a place of comfort, fun, all while we learn and make memories that will last and impact for years to come. It needs some, "life."
