Yoga

Swimming/Boating

Decorating/Re-purposing/Upcycling

Favorite Book Store: Any!!

Do you collect anything: Not really, just items from nature (shells, rocks, pine cones, etc.)

Anything you would like to have for your classroom: I will have an "Invention Center" as the year goes by. For this, I have been collecting items (think: junk!) that the kids could put together in many different ways to create their own inventions over and over again. Items such as nozzles, plastic piec
