Dear Colleague,

Grace to you and peace in this holy season of Lent.

The United Church of Christ Office Support Staff Network (UCCOSSN) is a national organization whose mission is to strengthen the ministries of those who work “behind the scenes” supporting the ministries of Conferences and the national setting of the Church.

Each year, the UCCOSSN members gather together for professional development and networking. This year’s annual meeting will be held April 4-6 in Lisle, Illinois with the theme, “The Sky’s the Limit.” To date, your Conference/Ministry is not represented among the registrants. We encourage you to send a representative from your support or administrative staff to the annual meeting. The knowledge shared in these three days will strengthen your staff’s skills, in order to better support the ministries of the United Church of Christ.

If you have any questions, please do not hesitate to contact Tracy Diehl by cell phone at (815) 761-3382 or by email at ilconftracy@gmail.com.

May your Lenten journey be a time of blessing, and may you experience the great joy of Easter.
