

Kenwood Heights

Rooted in Christ, Branching Out to Others.

January 3, 2012

not a fan.

completely. committed. follower.

A fan is described as an “enthusiastic admirer.” In the Gospels, Jesus never seemed too interested in fans. How do you define your relationship with Him...as a "enthusiastic admirer"...close enough to Jesus to get the benefits, but not so close to require sacrifice? Jesus was looking for followers--not just any follower though--but a **completely committed follower**. How would things change if you lived as Jesus lived, and loved the way He loved? Are you ready to step across a line and say, “**I am not a fan.**”

On Sunday, January 8 we will start a new six week sermon series titled, *Not A Fan*. Our Sunday Bible School Classes will also start a six week video curriculum to go along with our sermon on Sunday, January 8.

Throughout this series you will also have the opportunity to utilize a tool called The Fellowship Journal. On Wednesday evenings from 6:00 p.m. – 6:45 p.m. starting Wednesday, January 11th there will be a discussion group that will allow you and others to reflect on how your journey through the Fellowship Journal is going and being there for each other along the way.

We are very excited about this series and what it will bring to us as we begin 2012. It is our hope and desire that over this six week period for all of us to become solidified as COMPLETELY COMMITTED FOLLOWERS of Jesus. Come and join us on this important and life-changing journey.

Thank-you from South Park T.A.P.P. School

Dear Kenwood Heights Christian Church,

I want to thank you for your donation to Pooh's Corner. I was concerned how I was going to make this project work this year with the limited funds that I had available, but thanks to your generosity we were able to make this a very special time for our students.

Attendance has become very important to them and they tried so very hard to increase their attendance. There was a real feel of excitement in the air. The students loved the items that they were able to purchase with their "Pooh dollars". The smiles and the thanks we received were so very rewarding. I could not have done this project without your kindness and support.

Words can never adequately express my deep appreciation of your support. I hope that you had a wonderful holiday. Thank you again for blessing the lives of our students.

With much appreciation and thanks.

Faye Powers

Announcements

Greeters Ministry

We are in need of greeters for 2012, especially for our 8:45 a.m. service! This is a great opportunity, especially for new members, to meet and get to know the people in our church. There is a sign-up sheet in the Welcome Center if you would like to volunteer; please contact Janie Whitener if you have any questions.

Dinner Theater DVDs Available

If you would like a copy, please sign up on the regular DVD sheet in the Welcome Center, and indicate "Play - Night 1", "Play - Night 2", or "Both" in the "Date of Sermon" box. There is a suggested donation of \$1 for each DVD to cover the cost. Please contact Steve Hopper if you have any questions.

Thank You!

Dear Kenwood Heights,

I was so thankful to get the food basket. Thank you so very much.

Mrs. Dennis

Dear Kenwood Heights,

Our God is such an awesome God! On our way home from a church we are trying out, my kids talked of eating out for lunch. "No money, guys," I tell them, as I am wondering what I can even cook for them once we get home. We get home, and go inside to find two boxes of food on our table! Let me tell you, God knows our needs and just as long as we believe in Him he does provide all our needs.

I can't thank you enough for the wonderful food basket. The toilet paper was needed too! Thank you all dearly. I pray God will bless each of you as you have blessed our family.

The Schultz Family

Most of us are familiar with Habitat for Humanity building homes for those in need, but may not be aware that they accept donated items for re-sale in their Re Store to help support their efforts. Items are made available to the public at a fraction of the retail price, and include anything used in building or improving a home, such as refrigerators, stoves/ovens/microwaves, dishwashers, washer/dryers, sinks, kitchen cabinets/countertops, etc.

Pick-up for your items is available; they do ask a \$10 tax-deductible donation to offset the cost of gas. Cheryl Brown has a coupon for free donation pick up; please contact her at (502)368-4187 if you are interested!
