Randy’s Ritings

What a fabulous week of Vacation Bible School we enjoyed with the children and their families the week of June 25-29! Of all the years I’ve participated in VBS, this was my favorite so far. Kristy Noland remarked this past Sunday that we had 141 children registered this year. Some of the children have participated in our weekday Pre-school program, some of have been a part of our Upward program, and others were simply invited by the other children or by our members. A lot of planning went into this week by Kristy, Tambra Justice, and Vanessa Wilson. They were able to secure and place the volunteers in a wonderful manner. So many of you donated funds or resources to be used during the week. But a key part of this successful week was the night spent in prayer before Vacation Bible School began. “Give God the glory, great things He has done!”

On August 12 Kevin Payton will be sharing with us in both morning services. Kevin is one of the missionaries we support around the world. Many of you have never had a chance to meet Kevin or to hear about the work God is doing through him and his family. Here is some information about Kevin and his family:

Kevin and Renee Payton, missionaries with Team Expansion, have been working in Simferopol, Ukraine for 14 years. They currently work with students from Africa and India who are studying medicine at Crimean State Medical University. Their mission is to evangelize, disciple and equip the students to have a vital relationship with Jesus Christ with the hope they take the Good News of Jesus Christ back to their home countries.

Kevin and Renee have 4 children and 1 grandchild. Their 2 daughters, Tracey and Kristen, are married and live in Cincinnati and Jonesborough, TN respectively. Isaac is 19 and is ready to begin his 2nd year at Johnson University in Knoxville, TN. Jacob is 16 and is home-schooled. Kevin graduated from Atlanta Christian College with a Bachelors of Arts and Emmanuel School of Religion in Johnson City, TN with a Masters of Divinity. Kevin was born in Louisville and lived in the Louisville/Lexington area for 12 years.

We are in the process of getting a world map displayed in the first floor hallway to show the location of the various missions for Christ we are honored to support. The most current information we have on each mission will also be available.

The North American Christian Convention in Orlando begins next week. Pray for the convention as well as Mark, Adam, and Vanessa as they attend this year.

I love you all.

The KHCC Student Ministry is taking a day out on the lake! We will meet at the church at 8:00 a.m. on Wednesday August 1. Cost is \$45 and lunch is provided, but please bring extra money as we will be stopping for dinner. Please sign up in the Welcome Center or on Facebook if you would like to come!

Also, if you own a boat you would be willing to let us borrow, or if you would like to volunteer along with your boat it would be greatly appreciated and help us cut the cost down! Gas will be provided for the boat.

On behalf of the members of Second Chance at Life, we would like to express our sincere gratitude for Kenwood Heights Church allowing us the use of your facilities to meet the second Sunday of each month. With supporters as you, we are able to meet with organ recipients, donor families, living donors, and those still waiting for a life-saving organ. We offer support to each other and find ways that we can continue our mission to create awareness of organ donation in the community. Thank you very much for your support.

Sincerely,
Judy A. McGaha

Dear friends at Kenwood Heights,

Because of your partnership with Louisville Bible College we are able to equip, enrich, and encourage students to be the best they can be for the cause of Jesus Christ. Your generous gift of \$3,000 helps make all this possible. Thank you!

Yours in the Name of Jesus,
Tracy W. Marx, President

Mark's Remarks

The Arizona Mission Trip team would like to thank all of you who have been in prayer for our trip that starts Sunday, July 22nd. We are excited about what God has in store for us and how He wants to work through us as we work with His children in San Carlos, AZ. Despite all of our fundraising efforts, we have not reached the amount of money that we need to raise for this trip. Right now we are about \$3,500 short of our needs. On Sunday, July 15 and July 22, we will have a basket at the door to give you an opportunity to help if you can. Thank you so much in advance. Below are some specific things that we would like you to pray for while we are on our trip. Thanks again.

Specific Prayer Needs for KHCC Arizona Mission Trip

- All the money needed for the trip will be raised.

Sunday, July 22

- That our team arrives at the airport on time, and flights are safe.
- For good team bonding.
- That picking up our rental vehicles will go smoothly and for a safe trip to the reservation.
- That our team bonds and gets rested to start our work.

Monday, July 23 – Thursday, July 26

- That we will be safe and free from injuries while we are on the worksite and campsite.
- That we will be able to connect with the family for whom we are building and be able to share the Gospel of Christ with them.
- That the people of this community will see our love for God and our desire to serve Him.
- That God will be glorified in all things, no matter if we are in vehicles driving, on the camp site, or the worksite.
- For our families in Louisville as we are away from them, for their safety, health, and strength while we are apart.

Friday, July 27

- For the family whom we built for and the community that we were in, that they will trust Jesus and begin a saving relationship with Him.
- For our safety as we pack up our campsite.

Saturday, July 28

- For God to be glorified and praised as we spend some time talking about how God moved in our lives during the week, and as we share in a communion service together. (For great bonding time)
- For safety as we sightsee around Phoenix that evening.
- For great rest that night so we will be ready to travel back to Louisville in the morning.

Sunday, July 29

- That we wake up and arrive at the Phoenix airport on time.
- That our travel is safe, a non-stop flight from Phoenix to Louisville, and then back to our homes.
- That we don't forget the lessons that God taught us through this trip.
- That God will be glorified as we share with those in our families, church, and community about what happened on this great trip.
