GREATLY BLESSED BY MRI

Our ministry recently received this testimony from a pastor's wife that I (Erlene) ministered to several years ago.

Thank you for your loving service and ministry to missionaries, pastors and their families who come to you often confused, tired, depressed and broken.

May God continue to bless and strengthen each of you as you pour God's love into so many others!

From one who was greatly blessed by MRI.

FINISHING MY MASTER'S

I (Erlene) am taking the last classes toward my master's in pastoral counseling. One of the classes is an internship, which I am doing at MRI. The internship involves all of the same work that I have already been doing for almost 6 years, but now I it counts toward my degree. Working towards the degree, taking the classes, and reading all of the textbooks has been a lot of work but highly rewarding and enriching. In the fall I took a spiritual formation class, which I enjoyed. I learned new insights about myself and grew spiritually. After four years of hard work, I will finish my degree in May.

UPCOMING SEMINAR

MRI will be hosting a Christian counseling training seminar this month. This seminar is for missionaries, pastors, and lay people interested in learning about MRI's philosophy and methodology of pastoral counseling and becoming better people helpers. I (Erlene) will be teaching several of the presentations. We minister with a heavy reliance on the Holy Spirit and the understanding that it is God himself who restores, confirms, strengthens, and establishes.
