Ministry Update

The ministry of Missionary Renewal Asia Pacific (MRAP) and Ministry Resources International (MRI) continues to grow in scope and influence.

The mission of MRAP and MRI is to enhance the life quality, ministry effectiveness, and longevity of vocational ministry personnel. We accomplish our mission using both proactive and supportive methods.

Support and Caregiving Ministries

During 2010 MRAP and MRI served 227 pastoral counseling guests, a 34% increase

over 2009. During 2011 the number of guests served increased to 270. These guests represented 37 countries. In 2012 we're on track to exceed our record again. Our guests serve with various missions sending organizations including, but not limited to, Assemblies of God World Missions (AGWM).

I want to thank you so much for the love, concern, and counsel you demonstrated and shared with us during our recent visit. God used each of you in a unique way in the healing process that continues.

Proactive and Preventative Ministries

We regularly welcome additional guests for teaching events, seminars, and workshops.

God has definitely used MRI to change my life. There is no way I can be the same from here on out. You were a tremendous tool the Lord used to bless me; I am thankful beyond words.

Your partnership makes a difference and impacts the world . . .

I could never even begin to find the words to thank you for the impact our time at MRI has had on our lives. We are not the same people as we were when we walked into your office for the first time. Thank you for your kind, but direct words of love. Thank you for your listening ears. Thank you for your patience in our process. But, most of all, thank you for your hearts of obedience to be a channel of God's healing to our souls.

Our mission: Enhancing the life quality, ministry effectiveness, and longevity of missionaries and vocational ministers.

Will you partner with us?

Heartfelt thanks to the faithful members of our financial support team.

- **We begin itineration on September 1.** We have attached a response form for pastors' use in scheduling services or contacts with us.
- The scope of our ministry has increased, as have accompanying costs, since our last full itineration cycle thirteen years ago.

- We anticipate a 50% increase in our monthly budget.

Any extra help you can give, whether continuing or increasing monthly support of our ministry or with a one-time gift, would be deeply appreciated!

Donations may be made online at www.agmd.org. Enter "Conn" in the search box.
