We would like to take a moment to extend a very warm welcome to everyone who’s visiting today. It is our prayer that the songs will uplift you—and God’s word will convict you. You are encouraged to complete the visitor card, since we’d love to stay in touch with you. Don’t forget to include your telephone number and email.

The **Pastors Appreciation Committee** would like to thank all the members of Pleasant Mount Gilead for your cooperation on the **2nd Appreciation service** for Pastor Larry and First Lady Reba Mouton. We pray that our pastor and wife were able to be who they are and that all gifts were given from the heart. As we strive to please God with our efforts, there is always room for improvement. If you would like

to begin making free will contributions to next years’ Appreciation Service, you may use the regular envelope and indicate *Pastors’ Appreciation*.

The Pastor Speaks . . .

Let's Get It Right

"Then Peter came to Jesus and asked, 'Lord, how many times shall I forgive my brother when he sins against me? Up to seven times?' Jesus answered, 'I tell you, not seven times, but up to seventy times seven.'" - Matthew 18:21-22

Having healthy relationships is central to being a part of the body of Christ. These relationships are to be healthy, loving, and forgiving. This is true, not only within our immediate circle of fellow Christians, but also with our neighbors, business acquaintances, and even our enemies! What this means is that we must seek forgiveness when we have wronged others and we forgive others when they have wronged us.

Do you have relationships where things aren't right? It could be in your marriage, with your children, with your parents, or somebody at your church. Someone close who you have trusted may have burned you. Let this be the day when you ask God for the power to forgive. Or it may be that you've let somebody else down and you're estranged because of what you have done. Today is the time to say, "Lord, forgive me. Help me to have the courage to go and seek forgiveness from that person, so that we can be reconciled." Because, family, the ultimate meaning of life is found in healthy relationships with God and with our fellow man. Don't wait. **Decide today to get those relationships right.**
