Online Giving Frequently Asked Questions

"As each one has received a gift, use it to serve one another as good stewards of God's varied grace."

- 1 Peter 4:10 -

1. What is Online Giving?

Online Giving is a direct payment program whereby your contribution is debited automatically from your checking, savings, or credit card account into your church's bank account.

2. What are the advantages of Online Giving?

It makes it easy to fulfill stewardship commitments, even when you can't attend church. You never have to bring cash or checks to church. Giving electronically also helps the church save money and improve its budget!

3. How are my contributions automatically deducted from my account?

Once you complete the online registration form, the contribution amount you specify will automatically be transferred from your bank account to the church's bank account.

4. When will my contribution be deducted from my account?

Your electronic contribution will be debited on the date you specify on the donation form.

5. If I do not write checks, how do I keep my checkbook balance straight?

Since your contribution is made at a pre-established time, you simply record it in your check register on the appropriate date. Electronic contributions are recorded for you on your bank statement as well as your online reports.

6. Without a canceled check, how can I prove I made my contribution?

Your bank statement gives you an itemized list of electronic transactions as well as your online reports.

7. Can I put different amounts in offerings and have all of them withdrawn at different times?

You can set up to contribute to different offerings at different times; HOWEVER you will have to do each one separately.

8. What if I change bank accounts or want to cancel my recurring gift?

Contact the Web Administrator by clicking the CANCEL RECURRING GIFT button on the Online Giving page to cancel your current recurring transaction. Create a new recurring gift with the updated account information.

9. **Is Online Giving risky?**

It's less risky than writing checks or bringing cash to church. Electronic contributions cannot be lost, stolen or destroyed and have an extremely high rate of accuracy.

10. What if I try Online Giving and don't like it?

You can cancel your authorization by contacting your Web administrator.

11. How do I sign up for Online Giving?

Complete the online registration form and select the donations and the amount you would like to donate along with your credit or debit card information. It's that easy!
