**"Spiritual Strength Training"**

Most people are conscientious when it comes to their physical health. For the most part, we watch what we eat and try to maintain a healthy lifestyle through exercise, diet, and rest. Some of you walk, others run, while others do Pilates, yoga, aerobics, or lift weights. For the extreme exercise enthusiasts, boot camp classes are even offered.

We are good at concentrating on our physical bodies when it comes to exercise, but do you ever think about exercising your spiritual muscles? The spiritual body, like the physical body, needs to be exercised, lest it goes into atrophy. I find that unless the spirit is nurtured and stimulated, it is easy for us to become complacent in our walk with Jesus Christ.

The season of Lent, these 40 days leading up to Easter, provides a good time to work on our spiritual lives. This season provides a time to reflect and renew our relationship with God and recommit our lives to the ministry and mission of Jesus Christ. With our physical bodies, we have to be intentional about going for a walk or getting to the gym. The same intentionality is true with the Spirit. Here are some ways I would like to encourage you to exercise your spiritual muscles during this special season:

\*Daily Devotions: Take a few minutes each day to read some scripture and pray. During the season of Lent, we offer a free devotional to help with this exercise. These devotionals, titled "By His Wounds We Are Healed" are available in our gallery and offer a daily scripture, devotional, and prayer.

\*Lenten Lunch & Learn Series— Join us beginning this Tuesdays, March 3 at 12noon in the Fireside Room to share a meal and leaning together. I will be teaching a series on the remarkable life of Joseph from the Old Testament. This class will be titled, "*Retaliation or Reconciliation: When your emotions get the best of you.*" This series will continue each Tuesday at noon through March 31.

\*Sunday school class— Be involved in Sunday school, either as a participant or teacher. I will begin a class titled, "Characters of the Crucifixion" on March 1 at 9:15 as we will take a deeper look at those who played a role in the crucifixion of Jesus.

\*Sunday worship provides a good time to gather with others to be renewed in our faith. I will begin a new sermon series titled, "*The Eyes of Christ*" this Sunday.

\*Small groups within our church offer more personal growth and fellowship. I hope you will take part in some of the things we offer to help promote your spiritual growth. Come and join us as we get into shape and grow in our relationship with God. I look forward to worshipping with you on the next Lord's Day.

Blessings,  
Pastor Dave

### Website recently updated

Our church website at fpcbillings.org has a fresh look. Lots of information is available on our website for members and also for those looking for a church. We have information about our church's history; what it means to be a Presbyterian; and program options for children, youth, and adults; and calendar. You can listen to sermons on-line at our website as well. Just click the "Listen to Sermons" tab on the upper left corner of our church's homepage. Stay connected even when you are away.

**Church Mice:** The church mice are aware that we have a loving, kind, gracious church community at First Presbyterian. Countless times we seen members going the "extra mile" in many, many different ways. We recently noticed that Shari and Bob Dayton went many "EXTRA MILES." We thank them and express our gratitude for living their Christian values by inviting five wonderful children into their home for a week. This act has made an impact on the Daytons, the children and perhaps most of all in our congregation by witnessing helping others at the highest level.

### Flower Sponsorship Opportunities

Our flower sign-up sheet is located on the back table in the narthex. We invite you to sign up for a particular Sunday to sponsor the flowers either in honor or memory of someone or a special event such as an anniversary, birthday, etc. Suggested donation is \$25. Special thanks to those who donated flowers during the month of February. They are Following: Pam Harr in memory of Shirley Harr; Suzanne Braun in memory of her father, the Rev. Milous Repka; Marge Myhra in honor of grandchildren; and the Trenne and David Fields' family in honor of Carol Harr's birthday. After worship each Sunday, the flowers are distributed to church members and friends in the hospital, nursing homes, or among those who are unable to attend church.

What is the cost to agriculture when the global trading system is in disarray? What does recovery look like for agriculture? Michelle will also address some of the gains made in finalized agreements, what to expect from China, and how we're losing our standing as a reliable supplier around the globe.

**MARCH 15:** Dr. Melinda Arnold, MSUB Provost and Academic Vice Chancellor, "How Do We Practice Criminal Justice?" Criminal justice is a common theme in the Bible with many related verses. ### Property Committee Updates

The Property Committee would like to let you how we have been caring for the church property. Within the last 6 months new flooring has been placed in the kitchen, nine trees have been pruned and shaped to maintain their health, and an electronic sign to advertise church activities has been placed along Poly Drive. We have a wonderful group of volunteers that perform minor repairs and maintenance - replacing light bulbs, repairing cellular blinds, replacing broken window panes and so much more. Please be sure to thank Chuck & Eric Leggate, Gary Lohnbakken, Bruce Phillips and Ronnie Wooten for their services.

**Youth News:**

February was a good month for the youth group that included a lot of planning. As the school year is a little more than half way over we are looking to the summer and next school year for the youth. We finalized our summer mission trip to Denver for August. We will be working with Open Door ministries there where the kids will be working with the homeless and other ethnic groups. The mission trip will be the first week of August this summer. As a part of going on that trip we have resumed Sunday morning Bible study for the kids at the church downstairs in the coffee room. We meet each Sunday morning at 9:15 and this is a requirement for going on the mission trip. We have a good bunch of kids meeting then with about 10 kids each Sunday.

We have also finalized our 2021 mission trip which will see us go to Puerto Rico to work with the community who is still recovering from their previous hurricanes but also the earthquakes that shook the Island this year. The trip will be the week of July 3rd Summer 2021. This trip will be for all graduating 8th graders through graduating seniors. Be on the lookout for more information and the ability to support our youth through their fundraising endeavors.

As I get settled into the job more the goal is to have a bigger mission trip every 4 years to allow each high schooler at least one chance to go on some sort of trip out of the country. This will also give them an opportunity for some smaller trips and also at least one trip to Triennium. I look forward to all the trips we will be taking over the years and seeing all of the kids grow through them.

**Better Together Preschool continues**

Our church continues to be the home of the Better Together Preschool and they provide classes on Monday, Wednesday, and Fridays from 9-1 This school is open for children ages 2 through pre-K and meet in the downstairs classrooms. This group meets the third Friday of each month at 10 AM in the Conference Room.
