

November 2016

4's Newsletter

Dear Parents,

The month of November is a great time to reflect on how blessed we are. Thank you for sharing your children with us! We have enjoyed our first 2 months and see so much growth in the classes already. The opening prayer for November will be "God in Heaven", and the snack prayer will be "Thank you for the world so sweet". The Fruit of the Spirit is "Peace" symbolized with an orange. The Jolly Phonics letter sounds will be "I, U, C, Qu and O".

We start November with a fun fieldtrip to the local Jewel-Osco. They will give us a great tour of all the different departments, including areas not seen by the regular customers. Our dramatic play will be imagination land, a grocery store and then change into a Thanksgiving house. During the month we will color mix, talk about measuring in inches; create 2 more classroom books to share, talk about turkeys and pulleys; sort quarters, learn about the artist Georges Seurat and pointillism, plus much more. Daily activities are reflected on the daily white board sent home and posted outside the class each school day.

We will continue to go outside to play, weather permitting. Please send your child to school with appropriate clothing for the varying temperatures.

We are always available to discuss any concerns or questions you may have. We hope you enjoy the remainder of the Fall season!

The 4's team, Mrs. Dillon, Mrs. Jones, Mrs. Plescia and Mrs. Clarke

Important Upcoming Dates:

Thursday, November 3:	Jewel fieldtrip - drop off at Jewel
